i.1. Purpose and Intent.

Declarant, as the owner of the real property described in Exhibit "A," intends by Recording this Declaration to create a general plan of development for the master planned community known as **Bella Crossing**. This Declaration provides a reasonable procedure for the future expansion of the subdivision to include additional real property as Declarant deems appropriate and provides for the overall development, administration, maintenance, and preservation of the real property now and hereafter comprising **Bella Crossing**. An integral part of the development plan is the creation of the nonprofit corporation to be known as **Bella Crossing POA, Inc.**, an association comprised of all owners of real property in the **Bella Crossing** community, to own, operate, and/or maintain various common areas and community improvements and to administer and enforce this Declaration and the other Governing Documents referred to in this Declaration.

This document does not and is not intended to create a condominium within the meaning of the Texas Condominium Act, Tex. Prop. Code Ann., Section 81.601, et seu. (Vernon 1984).

i.2. Binding Effect and Term.

All property described in Exhibit "A," and any additional property which is made a part of the **Bella Crossing** community in the future, shall be owned, conveyed, used, and otherwise encumbered subject to all of the provisions of this Declaration, which shall run with the title to such property. This Declaration shall be enforceable by Declarant, the Association, any Owner, under the provisions herein and their respective legal representatives, heirs, successors, and assigns for a term of 20 years from the date the Declaration is recorded. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement. If any provision of this Declaration is determined by judgment or court order to be invalid, or invalid as applied in a particular instance, such determination shall not affect the validity of other provisions or applications.

i.3. Governing Documents.

The Governing Documents may be supplemented by additional covenants, restrictions, and easements applicable to particular Phases within **Bella Crossing**. Nothing in this Section shall preclude the Recording of a Supplemental Declaration or other instrument applicable to any portion of Bella Crossing (with the consent of the Owner of such property) which contains additional restrictions or more restrictive provisions; provided, any such Recording is subject to Article 11, unless otherwise permitted by Article 12. The Association may, but shall not be required to, enforce any such covenants, restrictions, or other instruments, which are otherwise enforceable.

The Governing Documents shall apply to Owners as well as occupants of Lots and their respective tenants, guests, and invitees. Any lease of a Lot shall provide that the lessee and all occupants of the leased Lot shall be bound by the terms of the Governing Documents.

In the event of a conflict between Texas law, the Articles (of Incorporation), the Declaration, and the By-Laws, the provisions of Texas law, the Declaration, the Articles, and the By-Laws (in that order) shall prevail. - 3.2.1 **Purpose of Easement.** The purpose of the Maintenance Easement is to provide for the existence, repair, improvement, and replacement of the Property's formal entrances and screening wall, fence, or berm, to be maintained by the Association as a common area. In exercising this Maintenance Easement, the Association may construct, maintain, improve, and replace improvements reasonably related to the screening or entrance of a residential subdivision, including: access gates, screening walls, fences and/or berms; planter beds, landscaping, and plant material; electrical and water meters and equipment, including light fixtures and sprinkler systems; and signage relating to the Property.

Requests for entry to an adjoining lot or common area must be made to the owner of the adjoining lot, or the Association in the case of the common areas, in advance for a time reasonably convenient for the adjoining owner, who may not unreasonably withhold consent. Without limiting the foregoing, in order to facilitate drainage from the Property subject to the Declaration over, through, under and across the Owner's Lot, each Owner hereby agrees that the Declarant or the Association, as the case may be, shall have the right but not the obligation to enter onto the Owner's Lot at any time to (i) prevent possible interference with the Drainage Easement and to remove possible hazards from the Drainage Easement area, (ii) prevent the construction or placement of any building, structure or other obstruction with the Drainage Easement area which may endanger or interfere with the efficient and convenient use of the Drainage Easement, (iii) grade, improve, construct, reconstruct, repair and perpetually maintain swales within the Drainage Easement area, and (iv) or regrade portions of the Drainage Easement area necessary or appropriate to permit drainage as generally described herein or as approved or required by appropriate governmental authorities. Notwithstanding any of the foregoing rights of the Association or the Developer, each Owner hereby agrees to maintain the Drainage Easement area at such Owner's sole cost and expense. If any structures or other obstructions are constructed, created or placed by any owner within the Drainage Easement area without the prior written consent of the Association and the Declarant, the Declarant or the Association shall have the right to remove such structure or obstruction at the sole cost of such Owner.

Each Owner hereby grants, creates and conveys unto the Association, the other adjacent Owners and the Declarant a perpetual Drainage Easement over, through, under and across the Owner's Lot for the purpose of permitting runoff and/or storm water to drain from other adjacent Lots over, through, under and across the Owner's Lot(s). Without limiting the foregoing, in order to facilitate drainage from the Property subject to the Declaration over, through, under and across the Owner's Lot, each Owner hereby agrees that the Declarant or the Association, as the case may be, shall have the right but not the obligation to enter onto the Owner's Lot at any time to (i) prevent possible interference with the Drainage Easement and to remove possible hazards from the Drainage Easement area, (ii) prevent the construction or placement of any building, structure or other obstruction with the Drainage Easement area which may endanger or interfere with the efficient and convenient use of the Drainage Easement, (iii) grade, improve, construct, reconstruct, repair and perpetually maintain swales within the Drainage Easement area, and (iv) or regrade portions of the Drainage Easement area necessary or appropriate to permit drainage as generally described herein or as approved or required by appropriate governmental authorities. Notwithstanding any of the foregoing rights of the Association or the Developer, each Owner hereby agrees to maintain the Drainage Easement area at such Owner's sole cost and expense. If any structures or other obstructions are constructed, created or placed by any owner within the Drainage Easement area without the prior written consent

of the Association and the Declarant, the Declarant or the Association shall have the right to remove such structure or obstruction at the sole cost of such Owner.

- 3.7. **UTILITY EASEMENT.** The Association may grant permits, licenses, and easements over common areas for utilities, roads, and other purposes necessary for the proper operation of the Property. A company or entity, public or private, furnishing utility service to the Property, is granted an easement over the Property for ingress, egress, meter reading, installation, maintenance repair, or replacement of utility lines and equipment, and to do anything else necessary to properly maintain and furnish utility service to the Property; provided, however, this easement may not be exercised without prior notice to the board. Utilities may include, but are not limited to, water, sewer, trash removal, fiber optic cable, electricity, gas, telephone, master or cable television, and security.
- 3.8. **SECURITY.** The Association may, but is not obligated to, maintain or support certain activities within the Property designed, either directly or indirectly, to improve safety in or on the Property. Each owner and resident acknowledges and agrees, for himself and his guests, that Declarant, the Association, and its directors, officers, committees, agents, and employees are not providers, insurers, or guarantors of security within the Property. Each owner and resident acknowledges and accepts his sole responsibility to provide security for his own person and property, and assumes all risks for loss or damage to same. Each owner and resident further acknowledges that Declarant, the Association, and its directors, officers, committees, agents, and employees have made no representations or warranties, now has the owner or resident relied on any representation or warranty, express or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire, burglar, and/or intrusion systems recommended or installed, or any security measures undertaken within the Property. Each owner and resident acknowledges and agrees that Declarant, the Association, and its directors, officers, committees, agents, and employees may not be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.
- 3.9. **RISK.** Each resident and their guests use all common area amenities (if any) at his/her own risk. Each resident is solely responsible for his own safety and that of his guests. The Association and the Declarant disclaims any and all liability or responsibility for injury or death occurring from use of the common area. By acquisition of a Lot, each Owner acknowledges that he has read the Governing Documents and accepts his sole responsibility for his own safety and that of his guests when using the common area, and assumes any and all risks for loss, injuries and death arising out of such use.
- 3.10 **RESIDENTIAL CONSTRUCTION LIABILITY ACT.** Without waiving any rights under law or equity Owners acknowledge, covenant and agree that residential construction defect claims regarding any residence or Lot against the Declarant and/or Builder are controlled by the Texas Residential Construction Act (Texas Property Code § 27.00 et. seq., as amended), which preempts The Texas Deceptive Trades Practices Act (Texas Business & Commerce Code § 17.41 et seq., as amended) and any other law.
- 3.11 **EPA/TCEQ COMPLIANCE.** The Owner of each lot and/or the Builder of each residence agree to comply with all EPA, TCEQ or other federal or state regulatory authority rules

and regulations regarding erosion control and compliance with a Storm Water Pollution Prevention Plan affecting the Lots (the "Plan"), which include elements necessary for compliance with the nationwide general permit for construction activities administered by the EPA under the National Pollutant Discharge Elimination System. Each Owner and/or Builder acknowledge that the Declarant will not bear the cost or responsibility for complying with a "Plan" on any Lot upon the sale of that particular Lot within the subdivision to each owner and/or Builder. The cost and responsibility to comply with the "Plan" shall be the responsibility of the Owner of each lot or the Builder of each residence and the responsible Owner and/or the responsible Builder agrees to reimburse Declarant the cost of any applicable EPA fines, if any, due to said Owners and/or said Builders non-compliance with the "Plan".

**THE OWNER SHALL BE RESPONSIBLE FOR COMPLIANCE WITH A
STORM WATER POLLUTION PREVENTION PLAN.**

ARTICLE 4
ARCHITECTURAL COVENANTS AND CONTROL

- 4.1. **PURPOSE.** Because the lots are part of a single, unified community, the Association has the right to regulate the design, use, and appearance of the lots and common areas in order to preserve and enhance the Property's value and architectural harmony, and to promote and ensure the level of taste, design, quality, and harmony by which the Property is developed and maintained.
- 4.2. **ARCHITECTURAL CONTROL COMMITTEE.** The Architectural Control Committee (the "ACC") consists of a minimum of 3 persons but not more than 5 appointed by Declarant during the Development Period. After the Development Period, the ACC consists of 3 persons appointed by the Board, pursuant to the Bylaws, or, at the Board's option, the Board may act as the ACC. If the Board acts as the ACC, all references in the Governing Documents to the ACC are construed to mean the Board. Members of the ACC need not be owners or residents.
- 4.3. **LIMITS ON LIABILITY.** The ACC has sole discretion with respect to taste, design, and all standards specified by this Article. The members of the ACC have no liability for the ACC's decisions made in good faith, and which are not arbitrary or capricious. The ACC is not responsible for: (1) errors in or omissions from the plans and specifications submitted to the ACC, (2) supervising construction for the owner's compliance with approved plans and specifications, or (3) the compliance of the owner's plans and specifications with city codes and ordinances, state and federal laws.
- 4.4. **PROHIBITION OF CONSTRUCTION, ALTERATION & IMPROVEMENT.** Without the ACC's prior written approval, no one may construct a dwelling or make an addition, alteration, improvement, installation, modification, or reconstruction of or to the Property. The ACC has the right to evaluate every aspect of construction, landscaping, and property use that may adversely affect the general value or appearance of the Property.
- 4.5. **PROCEDURE FOR ACC APPROVAL.** To request ACC approval, an owner must make electronic application and submit a complete set of plans and specifications showing the

nature, kind, shape, color, size, materials, and locations of the work for which approval is sought. The documents shall specify any requested variances from the requirements set forth in this Declaration. The Architectural Control Committee is authorized to request the submission of samples of proposed construction materials and such other information, as they reasonably deem necessary to make their determination. At such time as the plans and specifications meet the approval of the Architectural Control Committee, one complete set of plans and specifications will be retained by the Architectural Control Committee, for up to three (3) years only, and the other complete set of plans shall be marked "Approved," signed by a representative of the Architectural Control Committee and returned to the Lot Owner or his designated representative. If disapproved by the Architectural Control Committee, one set of such plans shall be returned marked "Disapproved" and shall be accompanied by a reasonable statement of the reasons for disapproval, which statement shall be signed by a representative of the Architectural Control Committee. Any modification of the approved set of plans and specifications must again be submitted to the Architectural Control Committee for its approval. The Architectural Control Committee's approval or disapproval, as required herein, shall be in writing. In no event shall the Architectural Control Committee give verbal approval of any plans.

- 4.6. DEEMED APPROVAL. If the ACC fails to respond in writing – negatively, affirmatively, or requesting information – within 60 days after the ACC's actual receipt of the owner's application, the owner may submit a second request for processing of its original application. If the board fails to respond within 45 days after the board's actual receipt of the owner's second request, the owner's application is deemed approved. The owner may then proceed with the improvement, provided he adheres to the plans and specifications, which accompanied his application, and provided he initiates and completes the improvement in a timely manner. In exercising deemed approval, the burden is on the owner to document the board's actual receipt of the owner's initial application and second request. A signed certified mail receipt may establish the Architectural Control Committee's receipt of the plans. Any Builder who is constructing residences on multiple Lots shall have the option of submitting a master set of final plans and specifications for all of the residences it intends to construct within the Property to the Architectural Control Committee in accordance with the provisions of this paragraph. Once the master set of plans have been approved, the Builder shall be allowed to construct residences in accordance with such approved plans and no further submittals shall be required unless material deviations have been made to such approved plans.
- 4.7. This Section Intentionally Left Blank.
- 4.8. ACC GUIDELINES. The Association may publish architectural restrictions, guidelines, and standards developed by the ACC, subject to revision from time to time including revisions to reflect changes in technology, style, and taste. The Association may publish such documents, on its own initiative, but shall not be required to do so. Such publications are considered *advisory* publications for the ACC, but shall not be interpreted as final, or as the ultimate authority as it is the Declarant's intention that the ACC have discretionary authority when need be. Clearly, any publications cited, used or followed from time to time are not to be regarded as limiting the authority and/or the discretion of the ACC. Furthermore, in light of the ACC's discretion to deviate from such publications as need be, publications will not be considered public property or subject to review by any one other than those comprising the ACC. The Association, acting through the ACC, has the right to establish and enforce architectural restrictions,

guidelines, and standards relating to every aspect of proposed or existing improvements on a lot, including but not limited to dwellings, fences, and landscaping, and further including replacements or modifications of original construction or installation.

- 4.9. IN SOME INSTANCES GOVERNMENTAL REQUIREMENTS MAY BE MORE OR LESS RESTRICTIVE THAN THE PROVISIONS OF THIS DECLARATION. IN THE EVENT A CONFLICT EXISTS BETWEEN ANY SUCH GOVERNMENTAL REQUIREMENT AND REQUIREMENT OF THIS DECLARATION, THE MOST RESTRICTIVE REQUIREMENT SHALL PREVAIL, EXCEPT IN CIRCUMSTANCES WHERE COMPLIANCE WITH A MORE RESTRICTIVE PROVISION OF THE DECLARATION WOULD RESULT IN A VIOLATION OF MANDATORY GOVERNMENTAL REQUIREMENTS, IN WHICH EVENT THOSE GOVERNMENTAL REQUIREMENTS SHALL APPLY. COMPLIANCE WITH MANDATORY GOVERNMENTAL REQUIREMENTS WILL NOT RESULT IN THE BREACH OF THIS DECLARATION EVEN THOUGH SUCH COMPLIANCE MAY RESULT IN NONCOMPLIANCE WITH THE PROVISIONS OF THIS DECLARATION. WHERE A GOVERNMENTAL REQUIREMENT DOES NOT CLEARLY CONFLICT WITH THE PROVISIONS OF THIS DECLARATION BUT PERMITS ACTION THAT IS DIFFERENT FROM THAT REQUIRED BY THIS DECLARATION, THE PROVISIONS OF THIS DECLARATION SHALL PREVAIL.

ARTICLE 5

RESIDENTIAL CONSTRUCTION AND PERMITTED USES

- 5.1. **COMPLIANCE REQUIREMENTS.** All improvements on a lot must (1) comply with any applicable city ordinances and codes, and (2) have the ACC's prior written approval. These 2 requirements are independent – one does not ensure or eliminate the need for another. The ACC's prior written approval is a mandatory requirement for any variance and/or improvement constructed on every lot.
- 5.2. **VARIANCE.** The use of the Property is subject to the restrictions contained in this Article, and subject to rules adopted pursuant to this Article. The board or the ACC, as the case may be, may grant a variance or waiver of a restriction or rule on a case-by-case basis, and may limit or condition its grant.
- 5.3. **HOUSES.** The principle improvement on a lot must be one detached single-family dwelling. The dwelling size, setbacks, and exterior materials must comply with the applicable ordinances and with any higher standards established by the ACC.
- 5.4. **LOT SURVEY.** Prior to commencement of design, it is the responsibility of the Owner to obtain a survey by a Surveyor licensed in the State of Texas to confirm existing grades, tops and toes of slope, edges of existing ponds and any other features or Lot attributes that would affect the design of any Lot Residence or Structure.
- 5.5. **CONSTRUCTION SCHEDULE.** All Residences or Structures commenced on a Lot shall be completed within 18 months after commencement according to approved final design review plans, unless an exception is granted in writing by the ACC. If an improvement is commenced and construction is then abandoned for more than 90 days, or if construction is not completed within the required 24-month period, the Association may impose a fine of not less than \$100.00 per day (or such other reasonable amount as the ACC or Association may set) to be charged against the Owner of the Lot until

construction is resumed, or the improvement is completed, as applicable, unless the Owner can prove to the satisfaction of the Board that such abandonment is for circumstances beyond the Owner's control.

- 5.6 DAMAGE REPAIR & RESTORATION. Damage and scarring to other property, including Common Areas, open space, adjacent Lots or parcels, Streets, roads, driveways and/or other improvements will not be permitted. If any such damage occurs, it must be repaired and/or restored promptly at the expense of the person causing the damage or the Owner of the Lot. Upon completion of construction, each Owner and Builder will be responsible for cleaning up the construction site and for the repair of all property that was damaged, including but not limited to restoring grades, planting shrubs and trees as approved or required by the ACC, and repair of streets, driveways, pathways, drains, culverts, ditches, signs, lighting and fencing. Any property repair costs as mentioned above, incurred by the ACC or The Association will be charged and billed to the Owner and Builder, as a joint and several liability.

- 5.7 FOUNDATIONS. The Owner is encouraged to seek the assistance of a Texas licensed Soil Engineer to examine and test soils conditions on his Lot prior to undertaking any design or construction. Declarant makes no representations or warranties express or implied, as to the soil conditions.

The Owner and the Owner's Architect, Engineer and Contractor shall give due consideration to the design of the foundation systems of all structures, which must comply with the Declarations and any requirements of the ACC.

It is the Owner's responsibility to conduct an independent soils engineering investigation to determine the suitability and feasibility of any Lot for construction of the intended Improvement.

- 5.8 EXCAVATION, GRADING & TREE PROTECTION. Blowing dust resulting from grading and construction operations must be controlled by watering if it is creating a significant dust problem for any neighbors for more than twenty-four hours.. During construction, erosion must be minimized on exposed cut and/or fill slopes through proper soil stabilization, water control and revegetation. The Builder is responsible for the implementation of erosion control techniques. Grading operations may be suspended by the ACC during periods of heavy rains or high winds.

Every effort must be made to avoid compaction and/or disturbance within the drip line of all existing trees located within and outside an approved construction area.

All topsoil disturbed by grading operations must be stockpiled and covered to minimize blowing dust within the construction area and reused as part of the site restoration/landscaping plans.

- 5.9 DEBRIS AND TRASH REMOVAL. Builders must clean up all trash and debris on the construction site at the end of the day. Trash and debris must be removed from each construction site at least once a week and transported to an authorized disposal site. Lightweight material, packaging and other items, must be covered or weighted down to prevent wind from blowing such materials off the construction site. Builders are prohibited from dumping, burying or burning trash anywhere on the Lot or in **Bella**

Crossing except in areas, if any, expressly designated by the ACC. During the construction period, each construction site must be kept neat and tidy to prevent it from becoming a public eyesore, or affecting adjacent Lots. Dirt, mud, dead or fallen trees or debris resulting from activity on each construction site must be promptly removed from the lot, roads, open spaces and driveways, or other portions of **Bella Crossing**. Temporary construction signage is allowed at the Owner's and/or Builder's discretion, subject to advance approval by the ACC. Developer may designate certain lots that need "fill dirt" for lot owners or builders to dump "clean fill dirt". Dirt that is mixed with concrete and building materials is NOT acceptable as "clean fill dirt".

Any clean up costs incurred by the ACC or the Association in enforcing these requirements will be billed to the Owner or Builder as needed. Any builder, lot owner or subcontractor associated with any unauthorized dumping will be held financially accountable and subject to a fine of \$500.00 PLUS the cost of relocating the debris.

- 5.10 **NO PETS.** Construction personnel are prohibited from bringing pets, particularly dogs, into **Bella Crossing**. Dogs running loose for any reason, at any time is strictly prohibited and will be enforced by fine by the HOA for general neighborhood safety.
- 5.11 **SECURITY.** Security precautions on the construction site may include temporary fencing approved by the ACC. Security lights, audible alarms and guard animal will not be permitted.
- 5.12 **NOISE.** Builder will make every effort to keep noise to a minimum. Radios will not be allowed in order to minimize disturbance to neighbors.
- 5.13 **MINIMUM FLOOR AREA.** The total air-conditioned living area of the main residential structure constructed on each Lot, as measured to the outside of exterior walls but exclusive of open porches, garages, patios and detached accessory buildings, **shall be three thousand two hundred square feet (3,200 SF)**. Bonus rooms/areas above garage/pool houses/covered patios, etc. may be credited towards the minimum floor area. Variances and consideration of total area under roof will be reviewed on a case by case basis.
- 5.14 **BUILDING MATERIALS.** Except to the extent a higher percentage is required by the City, the total exterior wall area (as used herein the term "total exterior wall area" shall exclude windows and doors) of each building constructed or placed on a Lot shall be not less than eighty percent (80%) brick, brick veneer, stone, stone veneer, stucco, masonry (or a combination of such materials) or other material approved by the Declarant. Roofing shall be of a substance acceptable to the Declarant and shall consist of either: A thirty (30) year (minimum) composition shingle; slate; tile (concrete or clay) or standing seam metal (silver or grey only). All roof materials and exact roof material colors must be submitted or displayed on the construction site and approved prior to construction.
- 5.15. **CHIMNEYS.** All fireplace flues, smoke stacks, and spark arrestors shall be completely enclosed and concealed from public view in finished chimneys of materials architecturally compatible with the finish material of the exterior walls of the dwelling.

- 5.16. GARAGES. Each residence shall have a garage suitable for parking a minimum of two (2) standard size automobiles, which garage conforms in design and materials with the main structure.
- 5.17. NEW CONSTRUCTION. All dwellings must be constructed on the Lot. A dwelling or addition constructed elsewhere may not be moved onto a Lot. The construction of a dwelling must be started promptly after the ACC approves the dwelling's plans and specification. At the start of construction – but not before – building material to be used in the construction may be stored in a neat and organized matter on the Lot at all times. Once started, the dwelling and all improvements on the Lot must be completed with due diligence. If at any time construction is substantially delayed (defined as all progress stopping for more than 30 days) after commencing, a fence must be constructed around the perimeter of the home for public safety.
- 5.18. ACCESSORIES. Installation of all exterior items and surfaces, including address numbers, decorative hardware, fencing, walls, external ornamentation, lights fixtures, and exterior paint and stain, is subject to the ACC's prior approval, including approval of design, color, materials, and location.
- 5.19. FENCES & WALLS. All fences visible from the public view from any street within the subdivision must be masonry or black wrought iron. Equestrian fences other than wrought iron must be approved by the ACC. All fences must architecturally and stylistically be designed in such a way to compliment the exterior of the Residence. This Section is subject to the ACC's right to adopt additional or different specifications for construction or reconstruction of fences. No chain link fences are permitted. No fence or wall shall be permitted to extend nearer to any street than five feet (5') from the front of any residence. Special circumstances for lot sizes of two acres or more will be considered, but must be approved in advance by the ACC. Any fences that border public open space are the responsibility of the lot owner to fence and maintain. Any fence or portion thereof that faces a public street shall be so constructed so that all structural members and posts will be on the side of the fence away from the street so that they are not visible from any public right-of-way. No portion of any fence shall extend more than eight (8') in height without prior approval of the ACC. Fences may not be constructed between a dwelling's front building line and the street. Special circumstances will be considered but must be approved by the ACC in advance. All fence design, location, height, material and color must be approved, in writing, by the ACC prior to installation. For privacy we recommend "living screens" landscaped privacy areas for pools and side yards to maintain the integrity of the open space of the community.
- 5.20. RETAINING WALLS. Retaining walls must be constructed entirely with ACC-approved materials; however railroad ties may not be used for any retaining wall visible from a street. All retaining walls must be designed in such a way to compliment the exterior of the home and must be approved by the ACC in the event that the materials used are different than the materials approved for the home.
- 5.21. UTILITIES. All utility lines and equipment must be located underground, except for: (1) elevated or surface lines or equipment required by a public utility or the City; (2) elevated or surface lines or equipment installed by Declarant as part of the development plan; and (3) surface equipment necessary to maintain, operate, or read underground facilities, such as meters, risers, service pedestals, and transformers. The ACC may require that utility meters, risers, pedestals, and transformers be visually screened from the street and

neighboring Lots. **There is no City water supply, sewage service or gas supply to the Property.**

Failure to comply with specified locations may result in a health hazard or compromised water pressure for the resident and/or neighboring property owners. Any deviations from this plan may result in fines and/or levies from TCEQ, the State of Texas and the Developer.

Water Wells. A water well is required in order to provide water service to every Lot/Residence, and is the sole responsibility of the Owner. All well locations must be able to be accessed for service but must be screened from public view.

Septic System. A septic system is required in order to provide sewage and waste water treatment to every Lot/Residence, and is the sole responsibility of the Owner. All septic system locations must be able to be accessed for service but must be screened from public view. All septic systems must be permitted & inspected by the County if required by County regulations.

Propane Tank. The Owner may install, at the Owner's election and sole risk, ONE (1) underground propane tank, which must be out of public view and must be installed by a certified propane specialist and inspected if required by any governing authority. The Environmental Protection Agency and the Commission on Environmental Quality require a minimum distance between the septic system and the propane tank. It shall be the Owner's responsibility to comply with all, such applicable laws and any other laws which may apply to the residential use of propane tanks.

There is no City water supply, sewage service or gas supply to the Property.

- 5.22. **LOT MAINTENANCE BY OWNERS.** Both the Lot and the dwelling must be maintained in a manner so as not to be unsightly when viewed from the street or neighboring Lots. Every Lot is required to be mowed and maintained in such a manner to enhance the appearance of the neighborhood. This includes the removal of any and all debris, dead wood, fallen trees, rubbish, unused rock or stone, etc., on an as needed basis (even if any such debris were not in any way the fault of the Property Owner). The ACC reserves the right to contract for these services and fine the Property Owner cost plus \$300.00 plus legal and collection fees if property Owner fails to maintain the subject property in a manner satisfactory to the ACC. Property Owner is required to comply within 14 days from receipt of notice of noncompliance by the ACC. The ACC is the arbitrator of acceptable appearance standards.

5.23. ASSOCIATION'S RIGHT TO PROMULGATE RULES. The Association, acting through its Board, is granted the right to adopt, amend, repeal, and enforce reasonable Rules and penalties for infractions thereof, regarding the occupancy, use, disposition, maintenance, appearance, and enjoyment of the Property. In addition to the restrictions contained in this Article, each Lot is owned and occupied subject to the right of the Board to establish Rules, and penalties for infractions thereof, governing:

- a. Use of the Common Areas.
- b. Hazardous, illegal, or annoying materials or activities on the Property.
- c. The use of Property-wide services provided through the Association.
- d. The consumption of utilities billed to the Association.
- e. The use, maintenance, and appearance of exteriors of dwellings and Lots.
- f. The occupancy and leasing of dwellings.
- g. Animals.
- h. Vehicles.
- i. Disposition of trash and control of vermin, termites, and pests.
- j. Anything that interferes with maintenance of the Property, operation of the Association, administration of the Governing Documents, or the quality of life for Residents.

5.24. ACCESSORY STRUCTURES. Without the prior written approval of the ACC, accessory structures – such as dog houses, gazebos, storage buildings, playhouses, and greenhouses – are prohibited (not allowed) if (1) they exceed the height of a fence, (2) are visible from a street or Common Area, or (3) are visible by a person standing on the surface of an adjoining Lot. Accessory structures may not be located in front yards or in unfenced portions of side yards facing streets. Living evergreen landscape screens are acceptable as a solution to screen such structures from public view, but must be approved by the ACC to be deemed acceptable. If an accessory structure is installed in violation of this Section, the ACC reserves the right to determine that the accessory structure is unattractive or inappropriate or otherwise unsuitable for the Property, and may require the Owner to screen it or to remove it at the ACC's complete discretion.

5.25. ANIMALS. No animals or livestock shall be raised, bred or kept on the Property except that dogs, cats or other household pets may be kept for the purpose of providing companionship for the private family; however, a maximum of five (5) domestic pets per Lot is imposed upon all Owners. In the case of Large Breed dogs, Owners will be limited to three (3) on each Lot. Animals are not to be raised, bred or kept for commercial purposes or for food. It is the purpose of these provisions to restrict the use of the Property so that no person shall quarter (board) on the premises cows, horses, hogs, pigs (including pot-bellied pigs), guinea fowls, ducks, chickens, turkeys, skunks or any other animals that may interfere with the quietude, health or safety of the Community. Pets must be restrained or confined by their Owner to the back yard of the applicable Lot, inside a fenced area or within the Residence erected thereon, provided any such pets may be walked only if a leash restrains such pet in the developed and habited areas of the Property to avoid being a nuisance or threat to others. It is the Owner's responsibility to keep the front of his Lot clean and free of pet debris. All animals must be properly tagged for identification. Unless the Rules provide otherwise, the subsections of this Article

shall govern animals at the Property. **Certain exceptions may be allowed from time to time with household pets as long as they do not disturb your neighbors.** Exceptions may be allowed on Lots, or combined Lots, of two acres or more, on a case by case basis. Any litters of household pet which would cause the total number of pets to exceed five (5) must be sold or otherwise disposed of within six (6) months from the birth of any such litter so that the total number of pets shall not exceed five (5) after such six (6) month period. Horses will be allowed on Lot sizes, net of floodplain, of three acres or more, only if they are not a nuisance or creating an unfit and unkempt environment. Horse manure must be removed as often as required to not be a detriment to the neighborhood or neighbors.

5.25.1. Disturbance. Pets must be kept in a manner that does not disturb the peaceful enjoyment of residents of other Lots.

5.25.2. Waste Removal. Unless the Rules provide otherwise, a resident must prevent his pet from relieving itself on the Common Area or the Lot of another Owner. Resident is responsible for the removal of his pet's wastes from the Property.

5.25.3. Liability. An Owner is responsible for any property damage, injury, or disturbance caused or inflicted by an animal kept on the Lot. The Owner of a Lot on which an animal is kept is deemed to indemnify and to hold harmless the Board, the Declarant, the Builder(s) and the Association, from any loss, claim, or liability resulting from any action of the animal or arising by reason of keeping the animal on the Property.

5.26. DRAINAGE. No person may interfere with the established drainage pattern over any part of the Property unless the Board has approved an adequate alternative provision for proper drainage. Further, each Owner covenants to honor any natural or man-made drainage areas ("Drainage Areas") which might affect adjacent lot(s), as establish by drainage easement, by drainage map, or by other drawings or calculations as prepared by a professional engineer, or as required by any master drainage plan enacted by the City. Specifically, each Owner agrees (1) to maintain the integrity of the said drainage areas by not filling or altering drainage swales and ditches that exist as required by the City or by the ACC; (2) to not construct fences that impede or divert the flow of water through the drainage areas; (3) to not impede or divert the flow of water in drainage areas by placing objects or by planting excessive landscaping in the drainage areas; and (4) to ensure that design and construction of sidewalks, driveways, and foundations conform with drainage areas.

5.27. DRIVEWAYS. The driveway portion of a Lot may not be used for any purpose that interferes with its ongoing use as a route of vehicular access to the garage. Without the Board's prior approval, a driveway may not be used: (1) for storage purposes, including storage of boats, trailers, and inoperable vehicles; or (2) for repair or restoration of vehicles other than routine short-term maintenance. Refer to Exhibit G for the culvert size and specification required for each lot. All culverts are specified by the Developer's engineer and exact specifications will be strictly enforced to assure proper drainage for all Owners.

5.28. BASKETBALL GOALS. Without the ACC's prior written approval, basketball goals and other recreational or supporting equipment may not be used, attached, mounted, or installed in a front yard, on a front driveway, in an unfenced portion of a side yard, or on the street side exterior portion of a dwelling. Only permanent, in-ground basketball goals

may be allowed. If the ACC grants approval for such equipment, the approval may be revoked if the equipment is not maintained, or if it becomes unsightly in the reasonable discretion of the ACC.

- 5.29. **LANDSCAPING.** Every front yard shall be sodded from the rear plane of the house to the front and side property lines, and have an underground irrigation system installed no later than thirty (30) days following completion of the Residence. Corner lots shall be sodded on both front yard or side yard areas facing the street, from the rear plane of the house to the front and side property lines. "Completion" as it is used in this Section 5.18 shall be defined as the date upon which a Certificate of Occupancy is issued for the Residence. **All Lots must have a sprinkler system installed to ensure adequate irrigation required to properly maintain the Lot.**

For Lots located on Bella Creek Parkway: Any portion of property along Bella Creek Parkway must be irrigated and planted with sod or native wild grass seed mix for a minimum of 30 feet from the street. Any native wild grass seed that has not been established must continue to be seeded until all of the area within the 30 feet is fully established and mature. The HOA reserves the right to plant trees and/or additional landscaping along Bella Creek Parkway as desired to enhance the look and feel of the community.

- 5.30. **MAILBOXES.** All mailboxes must be exclusively constructed with use of the following materials: brick, stone, stucco, or cast iron which must be consistent with the materials approved by the ACC for the exterior of the Residence.
- 5.31. **LEASING OF HOMES.** An Owner may lease the dwelling on his Lot for a period of no less than one (1) year, subject to the Governing Documents (whether or not a written lease sets forth provisions for same). All leases must be in writing and a copy of the lease delivered to the Association within ten (10) days after its execution. All tenants shall be bound by the Restrictions, but the lease of a Residence shall not discharge the Owner from compliance with any of the obligations and duties of the Owner. All leases shall make reference to the Restrictions and Owners shall provide tenants with a copy of this Declaration and changes thereto. All leases shall be subject to this Declaration and the other documents of the Association, regardless of whether the lease makes specific reference to them or whether the Owner delivers this Declaration to the tenant. Use of the Property by the Owners shall be subject to the following restrictions. Short-term rentals for a period of less than one (1) month are hereby prohibited. No Owner shall be permitted to lease or rent the dwelling, for hotel, transient, or vacation rental purposes, for a short-term period, which, for purposes of this paragraph is defined as less than one (1) month. No Owner shall be permitted to lease or rent less than the entire dwelling. An Owner is also responsible for the tenant and/or his invitees', failure to comply with the Governing Documents and any and all federal, state or local laws and regulations.
- 5.32. **NOISE & ODOR.** A resident must exercise reasonable care to avoid making or permitting to be made loud, disturbing, or objectionable noises or noxious odors that are likely to disturb or annoy residents of neighboring Lots. The Rules may prohibit the use of noise-producing security devices.

- 5.33. OCCUPANCY. Other than the completed principle dwelling, no thing or structure on a Lot may be occupied as a Residence at any time by any person. This provision applies, without limitation, to the garage, mobile homes, campers, and storage sheds.
- 5.34. RESIDENTIAL USE. The use of a Lot is limited exclusively to residential purposes or any other use permitted by this Declaration. This residential restriction does not, however, prohibit a Resident from using a dwelling for personal business or professional pursuits provided that: (1) the uses are incidental to the use of the dwelling as a residence; (2) the uses conform to applicable governmental ordinances; (3) there is no external evidence of the uses; (4) the uses do not entail visits to the Lot by employees or the public in quantities that materially increase the number of vehicles parked on the street; and (5) the uses do not interfere with Residents' use and enjoyment of neighboring Lots.
- 5.35. TELEVISION AND ANTENNAS. Each Resident of the Property will avoid doing or permitting anything to be done that may unreasonably interfere with the television, radio, telephonic, electronic, microwave, cable, or satellite reception on the Property. Antennas, satellite or microwave dishes, and receiving or transmitting towers that are visible from a street or from another Lot are prohibited within the Property, and shall be located inside the structure (such as in an attic or garage). The Owner of each Lot and/or Residence hereby waives all rights, federal or other, for operating or maintaining ham radio antennas within the Property unless the ham radio antenna is not visible from the street or another Lot.
- 5.35.1. Limited Exceptions. The following are the only areas for attachment and/or mounting that will be allowed as exceptions to the foregoing language in this section
- a. Attachment, location or mounting in a fenced yard so long as it is not visible from a street or from another Lot;
 - b. Attached to or mounted on the rear wall of a structure below the eaves, on the residence or in a tree, provided it is mounted in the most inconspicuous location when viewed from the front of the residence.
- In the event a dispute arises with regard to the determination of the "most inconspicuous location" of any such mounted satellite dish, a majority of the Board of Directors shall determine the most inconspicuous location and such determination shall be final. No satellite dish in excess of twenty-five inches (25") shall be permitted on any Lot.
- 5.36. TEMPORARY STRUCTURES. Improvements or structures of a temporary or mobile nature, such as tents, portable sheds, and mobile homes, which are being used for the purposes of the construction of the Residence, may not be placed on a Lot if visible from a street or another Lot. However, an Owner or Owner's contractor may maintain a temporary structure (such as a portable toilet or construction trailer) on the Lot during construction of the dwelling.
- 5.37. VEHICLES. All vehicles on the Property, whether owned or operated by the residents or their families and guests, are subject to this Section and Rules adopted by the Board. The Board may adopt, amend, and repeal rules regulating the types, sizes, numbers,

conditions, uses, appearances, and locations of vehicles on the Property. Without prior written Board approval, the following types of vehicles and vehicular equipment – mobile or otherwise – may not be kept, parked, or stored anywhere on the Property if the vehicle is visible from a street or from another Lot: mobile homes, motor homes, buses, trailers, boats, aircraft, inoperable vehicles, commercial truck cabs, trucks with tonnage over one ton, vehicles with advertising signage, vehicles which are not customary personal passenger vehicles, and any vehicle which the Board deems to be a nuisance, unsightly, or inappropriate. This restriction includes overnight parking on streets, driveways, and alleys. This restriction does not apply to vehicles and equipment temporarily on the Property in connection with the construction or maintenance of a dwelling. Vehicles that transport inflammatory, bio-hazardous or explosive cargo are prohibited from the Property at all times. The Association may effect the removal of any vehicle in violation of this Section or the Rules without liability to the owner or operator of the vehicle. All vehicles parked on any Lot within the view of public shall be in good operating condition, shall have current license plates, inspection stickers and registrations and shall be in daily use as motor vehicles on the streets and highways of the State of Texas.

- 5.38. WINDOW TREATMENTS. Without the ACC's prior written approval, the color of all window treatments within the dwelling that are visible from the street or another dwelling must appear to be a neutral color, such as white, cream, beige, brown, or gray. Solar screens are not allowed.
- 5.39. CONSTRUCTION RESTRICTIONS AND PROHIBITED USES. The ACC's prior written approval for any variance and/or improvements constructed on every Lot must have the characteristics described herein, which may be treated as the minimum requirements for improving and using a Lot. The ACC and the Board may promulgate additional rules and restrictions, as well as interpretations, additions, and specifications of the restrictions contained in this Article.

The following construction restrictions and prohibited uses shall be strictly followed and enforced:

- 5.39.1. No temporary dwelling, shop, trailer or mobile home of any kind or any improvement of a temporary character (except children's playhouses, dog houses, greenhouses, gazebos and buildings for storage of lawn maintenance equipment) shall be permitted on any Lot except that the Builder or contractor may have temporary improvements (such as a sales office and/or construction trailer) on a given Lot during construction of the residence on that Lot or on a different Lot as agreed to between the Builder or contractor and the Declarant. No building material of any kind or character shall be placed or stored upon the Property until the Owner thereof is ready to commence construction of improvements, and then such material shall be placed within the property lines of the Lot upon which the improvements are to be erected.
- 5.39.2. No Lot or other area on the Property shall be used as a dumping ground for rubbish or a site for the accumulation of unsightly materials of any kind, including, without limitation, broken or rusty equipment, disassembled or inoperative cars, other vehicles or discarded appliances, furniture and/or grass clippings. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or other disposal

of such material shall be kept in clean and sanitary condition. Materials relevant to construction of improvements may be stored on Lots during construction so long as construction progresses without undue delay.

- 5.39.3. No air-conditioning apparatus shall be installed on the ground in front of a residence or on the side of the residence in view of any public street. No air-conditioning apparatus shall be attached to any front wall or window of a residence, and no evaporative cooler shall be installed on the front wall or window of a residence. All air-conditioning equipment must be installed in the rear yard or on the side yard. If it is placed on a side yard and faces the street, it must be screened. Solar panels installed on the residence or Lot are allowed only if not visible from the street or any other Lot.
- 5.39.4. No Lot or improvement thereon shall be used for commercial or manufacturing purposes of any kind other than a small home office. No noxious or offensive activity shall be undertaken on the Property, nor shall anything be done which is or may become an annoyance or nuisance to the neighborhood. Nothing in this subparagraph shall prohibit a Builder's use of a residence as a sales office until such Builder's last residence on the Property is sold. Nothing in this subparagraph shall prohibit an Owner's use of a residence for quiet, inoffensive activities such as a small home office, tutoring or giving lessons such as art or music, so long as such activities do not materially increase the number of cars parked on the street or interfere with the other Owners' reasonable use and enjoyment of their Lots and residences.
- 5.39.5. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between three feet (3') and six feet (6') above the roadway shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street right-of-way lines and a line connecting them at points ten feet (10') from the intersection of the street right-of-way lines, or, in the case of a rounded property corner, from the intersection of the street right-of-way lines as extended. The same sight-line limitations shall apply on any Lot within ten (10) feet from the intersection of a street right-of-way line with the edge of a private driveway or alley pavement. No tree shall be permitted to remain within such distance of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.
- 5.39.6. No garage, garage house, or structure of a temporary character, such as a trailer, tent, shack, barn or other out-building shall be occupied by any Owner, tenant or other person prior to the erection of a residence or used on the Property at any time as a dwelling house; provided, however, that any Builder may maintain and occupy model homes, sales offices and construction trailers during the construction period and sales periods.
- 5.39.7. Except for children's playhouses, dog houses, greenhouses, gazebos and buildings for storage of lawn maintenance equipment, no building previously constructed elsewhere shall be moved onto any Lot, it being the intention that only new construction be placed and erected thereon. A living landscape screen may be required to screen any such structure from the neighboring property owners view, subject to the ACC's complete discretion.

- 5.39.8. No sign of any kind shall be displayed to the public view on any Lot, except one (1) professional security service sign of not more than one square foot, one (1) sign of not more than five square feet advertising the property for rent or sale, and one (1) open house sign used by a Builder to advertise the Property during the construction and sales period, all of which signs shall, in any event, comply with all statutes, laws or ordinances governing same. (For Rent signs must be consistent with the quality of Bella Crossing standards. The ACC reserves the right to remove unsightly signs at any time.) All Builder signs and for sale signs must be the approved Bella Crossing sign, dimensions, materials, and colors as shown on the attached **Exhibit E**. Any other sign used by a Property Owner or Builder is prohibited and may be removed by the Declarant at any time. The Board of Directors, or its agents, and the ACC shall have the right to remove any sign, billboard or other advertising structure at any time that does not comply with the above, or in their "sole discretion" it does not meet Bella Crossing standards, and in so doing shall not be subject to any liability for trespass or otherwise in connection with such removal. Balloons on signs will be permitted from time to time for special events or Open Houses as long as they are not unsightly.
- 5.39.9 The drying of clothes in full public view is prohibited. The Owners and occupants of any Lots at the intersections of streets or adjacent to parks, playgrounds or other facilities where the rear yard is visible to full public view shall construct a fence or other suitable enclosure to screen from public view the equipment and other items which are incident to normal residences, such as clothes drying equipment, yard equipment, wood piles, storage piles and the like.
- 5.39.10. No Owner shall perform, fail to perform or permit anything to be done or not done on his Lot, which would violate any laws, statutes, ordinances or regulations of any kind or character.
- 5.39.11. Except for the water wells described in Section 5.11.1, no oil drilling, oil development operation, oil refining, quarrying, water well drilling or mining operations of any kind shall be permitted in or on the Property, (other than by Declarant), nor shall oil wells, tanks (including propane tanks), tunnels, mineral excavations or shafts be permitted upon or in any part of the Property (other than by Declarant). No derrick or other structure designed for using in quarrying or boring for oil, natural gas or other minerals shall be erected, maintained or permitted on the Property.
- 5.39.12. No Lot or Common Area may be used in any way that: (1) may reasonably be considered a public nuisance and/or a disturbance of the peace; (2) may be calculated to reduce the desirability of the Property as a residential neighborhood; (3) may endanger the health or safety of residents of other Lots; (4) may result in the cancellation of insurance on the Property; or (5) violates any law. The Board has the sole authority to determine what constitutes an annoyance.
- 5.40 POOL CONSTRUCTION. All swimming pools must be in ground and the location and design of any proposed swimming pool, including fencing, pumps, backwash, and any other related paraphernalia must be approved in writing by the Architectural Control Committee. The Lot Owners shall comply with Chapter 757 of the Texas Health and

Safety Code which requires that a pool barrier or fence must be in place to prevent children from entering the pool area unattended. The fence has to be a minimum of 48 inches in height. The fence must also have a barrier along the base of the structure, preventing an object 4 inches in diameter from entering the water.

ASSOCIATION AND MEMBERSHIP RIGHTS

- 6.1. **THE BOARD.** Unless the Governing Documents expressly reserve a right, action, or decision to the owners, Declarant, or another party, the board acts in all instances on behalf of the Association. Unless the context indicates otherwise, references in the Governing Documents to the "Association" may be construed to mean "the Association acting through its board of directors."
- 6.2. **THE ASSOCIATION.** The duties and powers of the Association are those set forth in the Governing Documents, together with the general and implied powers of a property owners association and a nonprofit corporation organized under the law of the State of Texas. Generally, the Association may do any and all things that are lawful and necessary, proper, or desirable in operating for the peace, health, comfort, and general benefit of its members, subject only to the limitations on the exercise of such powers as stated in the Governing Documents. The Association comes into existence on the earlier of (1) issuance of its corporate charter or (2) the initial levy of assessments against the lots and owners. The Association will continue to exist at least as long as the Declaration is effective against the Property, regardless of whether its corporate charter lapses from time to time.

**EVERY OWNER OF A BELLA CROSSING LOT AUTOMATICALLY JOINS A
MANDATORY MEMBERSHIP ASSOCIATION.**

- 6.3. **GOVERNANCE.** The Association will be governed by a board of elected.¹ Directors. Unless the Association's Bylaws or Articles of Incorporation provide otherwise, the Board will consist of at least 3 persons elected at the annual meeting of the Association, or at a special meeting called for that purpose. The Association will be administered in accordance with the Bylaws. Unless the Governing Documents provide otherwise, any action requiring approval of the members may be approved in writing by owners of at least a majority of all lots, or at a meeting by owners of at least a majority of the lots that are represented at the meeting.
- 6.4. **MEMBERSHIP.** Each owner is a member of the Association, ownership of a lot being the sole qualification for membership. Membership is appurtenant to and may not be separated from ownership of the lot. The board may require satisfactory evidence of transfer of ownership before a purported owner is entitled to vote at meetings of the Association. If a lot is owned by more than one person or entity, each co-owner is a member of the Association and may exercise the membership rights appurtenant to the lot. A member who sells his lot under a contract for deed may delegate his membership rights to the contract purchaser, provided a written assignment is delivered to the board.

¹ Election by the members is the ultimate goal of the Declarant. Notwithstanding, during the Development Period and/or Declarant Control Period, the Board of Directors may be appointed/elected as set forth in the provisions of this Declaration, which cover and stipulate the rights of the Declarant during the respective time periods.

However, the contract seller remains liable for all assessments attributable to his lot until fee title to the lot is transferred.

- 6.5. CLASSES OF MEMBERSHIP AND VOTING. One vote is appurtenant to each lot. The total number of votes equals the total number of lots in the Property. Each vote is uniform and equal to the vote appurtenant to every other lot, except during the Development Period as permitted in "EXHIBIT B". Cumulative voting is not allowed. Votes may be cast by written proxy, according to the requirements of the Association's bylaws.

The Association shall have two (2) classes of voting membership:

- 6.5.1. Class A. Class A Members shall be all Members with the exception of Declarant. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership; provided, however, that in the event that more than one (1) person holds such interest or interests in any Lot, even though all such persons shall be Members, there shall be only one (1) vote for such Lot, which shall be exercised as they, among themselves, determine (but in no event shall more than one (1) vote be cast with respect to any such Lot).
- 6.5.2. Class B. The Class B Member(s) shall be the Declarant. Until such time as the Declarant has sold all of the Lots in the Property, the Class B Member shall have the sole right to elect the Board of Directors of the Association. Control of the Association shall only be vested in the Owners after completion of transfer to Class A Members of title to all of the Lots in the Property. The Declarant shall have four (4) votes for each Lot it owns.
- 6.6. VOTING BY CO-OWNERS. The one vote appurtenant to a lot is not divisible. If only one of the multiple co-owners of a lot is present at a meeting of the Association, that person may cast the vote allocated to the lot. If more than one of the co-owners is present, the lot's one vote may be cast with the co-owners' unanimous agreement. Co-owners are in unanimous agreement if one of the co-owners casts the vote by ballot or proxy by the other co-owners. If the person presiding over the meeting or balloting receives evidence that the co-owners disagree on how the one appurtenant vote will be cast, the vote will not be counted.
- 6.7. BOOKS & RECORDS. The Association will maintain copies of the Governing Documents and the Association's books, records, and financial statements. Books and records of the Association will be made available for inspection and copying pursuant to Article 1396-2.23-B. of the Texas Nonprofit Corporation Act.
- 6.8. INDEMNIFICATION. The Association indemnifies every officer, director, and committee member (for purposes of the Section, "Leaders") against expenses, including attorney's fees, reasonably incurred by or imposed on the Leader in connection with an action, suit, or proceeding to which the Leader is a party by reason of being or having been a Leader. A Leader is not liable for a mistake of judgment, negligent or otherwise. This right to indemnification does not exclude any other rights to which present or former Leaders may be entitled. The Association may maintain general liability and directors and officers liability insurance to fund this obligation.

6.9. **OBLIGATIONS OF OWNERS.** Without limiting the obligations of owners under the Governing Documents, each owner has the following obligations:

- 6.9.1. **Information.** Within 30 days after acquiring an interest in a lot, within 30 days after the owner has notice of a change in any information required by this Subsection, and on request by the Association from time to time, an owner will provide the Association with the following information: (1) a copy of the recorded deed by which owner has title to the lot; (2) the owner's address, phone number, and driver's license number, if any; (3) any mortgagee's name, address, and loan number; (4) the name and phone number of any resident other than the owner; (5) the name, address, and phone number of owner's managing agent, if any.
- 6.9.2. **Pay Assessments.** Each owner will pay assessments properly levied by the Association against the owner or his lot, and will pay regular assessments without demand by the association.
- 6.9.3. **Comply.** Each owner will comply with the Governing Documents as amended or restated from time to time.
- 6.9.4. **Reimburse.** Each owner will pay for damage to the Property caused by the negligence or willful misconduct of the owner, a resident of the owner's lot, or the owner or resident's family, guest, employees, contractors, agents, or invitees.
- 6.9.5. **Liability.** Each owner is liable to the Association for violations of the Governing Documents by the owner, a resident of the owner's lot, or the owner or resident's family, guest, employees, agents of invitees, and for cost incurred by the Association to obtain compliance, including attorney's fees whether or not suit is filed.

6.10. **TRANSFER-RELATED FEES & FINES.** A number of independent fees or fines may be charged in relation to the transfer of title to a lot, including but not limited to fees for resale certificates, estoppel certificates, copies of the Governing Documents, compliance inspections, ownership record changes, and priority processing, provided the fees are customary in amount, kind, and number for the local marketplace. In addition, fines that have previously been assessed by the Association against the Owner, shall be made part of the resale certificate and forwarded to the title company. Transfer-related fees are not refundable and may not be regarded as a prepayment of or credit against regular or special assessments. Transfer-related fees do not apply to the following transfers unless a party to the transfer request the corresponding documentation: (1) foreclosure of a deed of trust lien, tax lien, or the Association's assessment lien; (2) transfer to, from, or by the Association. Transfer-related fees may be charged by the Association or by the Association's managing agent, provided there is no duplication of fees. Transfer-related fees charged by or paid to a managing agent must have the prior written approval of the Association, are not subject to the Association's assessment lien, and are not payable by the Association. This Section does not obligate the board or the managing agent to levy transfer-related fees. **The Board may determine an initial transfer fee be set to be collected at closing by the title company on any re-sale of a Bella Crossing lot/home.**

ARTICLE 7
COVENANT FOR ASSESSMENTS

- 7.1. **PURPOSES OF ASSESSMENTS.** The association will use assessments for the general purposes of preserving and enhancing the property, and for the common benefit of owners and residents, including but not limited to maintenance of real and personal property, management and operation of the Association, and any expense reasonably related to the purposes for which the Property was developed. If made in good faith, the board's decision with respect to the use of assessments is final.
- 7.2. **PERSONAL OBLIGATION.** An owner is obligated to pay assessments levied by the board against the owner or his lot. An owner makes payment to the Association at its principal office or at any other place the board directs. Payments must be in full regardless of whether an owner has a dispute with the Board, ACC or with the Association, another owner, or any other person or entity regarding any matter to which this Declaration pertains. No owner may exempt himself from his assessment liability by waiver of the use or enjoyment of the common area or by abandonment of his lot. An owner's obligation is not subject to offset by the owner, nor is it contingent on the Association's performance of the Association's duties. Payment of assessment is both a continuing affirmative covenant personal to the owner and a continuing covenant running with the lot.

**IF YOU OWN A BELLA CROSSING LOT, YOU MUST PAY
ASSESSMENTS TO THE ASSOCIATION.**

- 7.3. **CONTROL FOR ASSESSMENT INCREASES** Until January 1 of the year immediately following the conveyance of the first Lot to any Owner, the maximum annual Assessment shall be Seven Hundred and No/100 Dollars (\$700.00) per Lot per year. The Board may increase the Maintenance Assessment annually to meet the anticipated needs of the appropriate budget, but the Maintenance Assessment may not be increased in any year by an amount in excess of twenty percent (20%) above the previous year's Maintenance Assessment, unless such increase is approved by a majority vote of those members of the Association present at a meeting, in person or by proxy, where a quorum exists.
- 7.4. **TYPE OF ASSESSMENTS.** There are 3 types of assessments: Regular, Special, and Individual.
- 7.4.1. **Regular Assessments.** Regular assessments are based on the annual budget. Each lot is liable for its equal share of the annual budget. If the board does not approve an annual budget or fails to determine new regular assessments for any year, or delays in doing so, owners will continue to pay the regular assessments as last determined. Regular assessments are used for common expenses related to the reoccurring, periodic, and anticipated responsibilities of the Association, including but not limited to:
- a. Maintenance, repair, and replacement, as necessary, of any portion of the common area.
 - b. Utilities billed to the Association.

- c. Services billed to the Association and serving all lots. Costs and repairs to maintain the water wells/lakes and common area water features, fountains, monuments, entry and exit gates, landscape and tree lighting, etc.
- d. Taxes on property owned by the Association and the Association's income taxes.
- e. Management, legal, accounting, auditing, and professional fees for services to the Association.
- f. Costs of operating the Association, such as telephone, postage, office supplies, printing, meeting expenses, and educational opportunities of benefit to the Association.
- g. Premiums and deductibles on insurance policies and bonds deemed by the board to be necessary or desirable for the benefit of the Association, including fidelity bonds and directors and officers liability insurance.
- h. Contributions to the reserve funds.
- i. Any other expense which the Association is required by law or the Governing Documents to pay, or which in the opinion of the board is necessary or proper for the operation and maintenance of the Property or for enforcement of the Governing Documents.

7.4.2. Special Assessments. In addition to regular assessments, and subject to the owners' control for assessment increases, the board may levy one or more special assessments against all lots for the purpose of defraying, in whole or in part, common expenses not anticipated by the annual budget or reserve funds. Special assessments do not require the approval of the owners, except that special assessments for the purposes provided hereafter must be approved by owners of least a majority vote of those members of the Association present at a meeting, in person or by proxy, at which a quorum exists. At least fifteen (15) days prior to any meeting of the Association called to consider any Special Assessment, the Board shall notify each Owner thereof by written notice specifying the total amount of the Special Assessment required, the amount thereof imposed on each Lot (which shall be uniform), the purpose for such Special Assessment, and the time and method of payment thereof. Special Assessments for the following purposes shall require approval under the terms set forth in this provision:

- a. Acquisition of real property, other than the purchase of a lot at the sale foreclosing the Association's lien against the lot;
- b. Construction of additional improvements within the Property;
- c. Any expenditure that may reasonably be expected to significantly increase the Association's responsibility and financial obligation for operations, insurance, maintenance, repairs, or replacement.

7.4.3. Individual Assessments. In addition to regular and special assessments, the Board may levy an individual assessment against a lot and its owner. Individual assessments may include, but are not limited to: interest, late charges overhead, and collection costs on delinquent assessments; reimbursements for costs incurred in bringing an owner or his lot into compliance with the Governing Documents; fines for violations of the Governing Documents; insurance deductibles; transfer-related fees and resale certificate fees; fees for estoppel letters and project documents; reimbursement for damage or waste caused by willful or negligent acts; common expenses that benefit fewer than all of the lots, which may be assessed according to benefit received; fees or charges levied

against the Association on a per-lot basis; and “pass through” expenses for services to lots provided through the Association and which are equitably paid by each lot according to benefit received.

- 7.5. **BASIS & RATE OF ASSESSMENTS.** The share of liability for common expenses allocated to each lot is uniform for all lots, regardless of a lot’s location or the value and size of the lot or dwelling, but subject to lower rates of assessment for vacant lots. The rates of assessment area as follows:
 - 7.5.1. **Improved Lot.** A lot that has been improved with a dwelling for which the city has issued the initial certificate of occupancy will at all times thereafter be assessed at the full rate.
 - 7.5.2. **Lots Owned by Declarant.** Notwithstanding preceding subsection, Declarant shall not be liable for Assessments for any Lots that it owns. Declarant may, but shall have no obligation to, subsidize the Association from time to time. In the event Declarant decides to subsidize the Association and any shortfall in the operating budget of the Association is due in part to the failure of the Association to collect delinquent Assessments, then the Association shall immediately and vigorously pursue collection of such delinquent Assessments through foreclosure, if necessary, and shall reimburse the Declarant the amounts, if any, so collected during the Development Period. Declarant is subject to the assessment exemption in “**EXHIBIT B**”.
- 7.6. **ANNUAL BUDGET.** The board will prepare and approve an estimated annual budget for each fiscal year. The budget will take into account the estimated income and expenses for the year, contributions to reserve funds, and a projection for uncollected receivables.
- 7.7. **DUE DATE.** The board may levy regular assessments on any periodic basis – annually, semi-annually, quarterly, or monthly. Regular assessments are due on the first day of the period for which levied. Special and individual assessments are due on the date stated in the notice of assessment or, if no date is stated, within 10 days after notice of the assessment is given. Assessments are delinquent if not received by the Association on or before the due date.
- 7.8. **ASSOCIATION’S RIGHT TO BORROW MONEY.** The Association is granted the right to borrow money, subject to the consent of owners of at least a majority of lots and the ability of the Association to repay the borrowed funds from assessments. To assist its ability to borrow, the Association is granted the right to encumber, mortgage, pledge, or deed in trust any of its real or personal property, and the right to assign its right to future income, as security for money borrowed or debts incurred, provided that the rights of the lender in the pledged property are subordinate and inferior to the rights of the owners hereunder.
- 7.9. **ASSESSMENT LIEN.** Each owner, by accepting an interest in or title to a lot, whether or not it is so expressed in the instrument of conveyance, covenants and agrees to pay assessments to the Association. Each assessment is a charge on the lot and is secured by a continuing lien on the lot. Each owner, and each prospective owner is placed on notice that his title may be subject to the continuing lien for assessments attributable to a period prior to the date he purchased his lot.

- 7.9.1. Superiority of Assessment Lien. The assessment lien is superior to all other liens and encumbrances on a lot, except only for (1) real property taxes and assessments levied by governmental and taxing authorities, (2) a deed of trust or vendor's lien recorded before this Declaration, (3) a recorded deed of trust lien securing a loan for construction of the original dwelling, and (4) a first or senior purchase money vendor's lien or deed of trust lien recorded before the date on which the delinquent assessment became due.
- 7.9.2. Effect of Foreclosure. Foreclosure of a superior lien extinguishes the Association's claim against the lot for unpaid assessments that became due before the sale, but does not extinguish the Association's claim against the former owner. The purchaser at the foreclosure sale is liable for assessments coming due from and after the date of the sale, and for the owner's pro rata share of the pre-foreclosure deficiency as an Association expense.
- 7.9.3. Perfection of Lien. The Association's lien for assessments is created by recordation of this Declaration, which constitutes record notice and perfection of the lien. No other recordation of a lien or notice of lien is required. However, the Association, at its option, may cause a notice of the lien to be recorded in the court's real property records.
- 7.9.4. Power of Sale. By accepting an interest in or title to a lot, each owner grants to the Association a private power of nonjudicial sale in connection with the Association's assessment lien. The board may appoint, from time to time, any person, including an officer, agent, trustee, substitute trustee, or attorney, to exercise the Association's lien rights on behalf of the Association, including the power of sale. The appointment must be in writing and may be in the form of a resolution recorded in the minutes of a board meeting.
- 7.9.5. Foreclosure of Lien. The assessment lien may be enforced by judicial or nonjudicial foreclosure. A nonjudicial foreclosure must be conducted in accordance with the provisions applicable to the exercise of powers of sale as set forth in Section 51.002 of the Texas Property Code, or in any manner permitted by law. In any foreclosure, the owner is required to pay the Association's costs and expenses for the proceedings, including reasonable attorneys' fees. The Association has the power to bid on the lot at foreclosure sale and to acquire, hold, lease, mortgage, and convey same.
- 7.10. LIMITATIONS OF INTEREST. The Association, and its officers, directors, managers, and attorneys, intend to conform strictly to the applicable usury laws of the State of Texas. Notwithstanding anything to the contrary in the Governing Documents or any other document or agreement executed or made in connection with the Association's collection of assessments, the Association will not in any event be entitled to receive or collect, as interest, a sum greater than the maximum amount permitted by applicable law. If from any circumstances whatsoever, the Association ever receives, collects, or applies as interest a sum in excess of the maximum rate permitted by law, the excess amount will be applied to the reduction of unpaid special and regular assessments, or reimbursed to the owner if those assessments are paid in full.

ARTICLE 8**EFFECT OF NONPAYMENT OF ASSESSMENTS AND VIOLATION OF THE DOCUMENTS**

- 8.1. **COLLECTING DELINQUENT ASSESSMENTS.** An assessment is delinquent if the Association does not receive payment in full by the assessment's due date. The Association, acting through its board, is responsible for taking action to collect delinquent assessments. Neither the board nor the Association, however, is liable to an owner or other person for its failure or inability to collect or attempt to collect an assessment. The following remedies are in addition to and not in substitution for all other rights and remedies, which the Association has.
- 8.1.1. **Interest.** Delinquent assessments are subject to interest from the due date until paid, at a rate to be determined by the board from time to time, not to exceed the lesser of 18 percent or the maximum permitted by law. If the board fails to establish a rate, the rate is 12 percent per annum.
- 8.1.2. **Late Fees.** Delinquent assessments are subject to reasonable late fees, at a rate to be determined by the board from time to time.
- 8.1.3. **Costs of Collection.** The owner of a lot against which assessments are delinquent is liable to the Association for reimbursement of reasonable costs incurred by the Association to collect the delinquent assessments, including attorney's fees and processing fees paid by the Association for the collection thereof.
- 8.1.4. **Acceleration.** If an owner defaults in paying an assessment that is payable in installments, the Association may accelerate the remaining installments on 10 days' written notice to the defaulting owner.
- 8.1.5. **Suspension of Use and Vote.** If an owner's account has been delinquent for at least 30 days, the Association may suspend the right of owners and residents to use common areas and common services during the period of delinquency. . (Texas Property code now prohibits the Association's suspension of owner voting rights if they are delinquent) Suspension does not constitute a waiver or discharge of the owner's obligation to pay assessments
- 8.1.6. **Money Judgment.** The Association may file suit seeking a money judgment against an owner delinquent in the payment of assessments, without foreclosing or waiving the Association's lien for assessments.
- 8.1.7. **Foreclosure of Assessment Lien.** As provided by this Declaration, the Association may foreclose its lien against the lot by judicial or nonjudicial means.
- 8.1.8. **Application of Payments.** The board may adopt and amend policies regarding the application of payments. After the Association notifies the owner of a delinquency, any payment received by the Association may be applied in the following order: individual assessments, special assessments, and (lastly) regular monthly assessments. The Association may refuse to accept partial payments, i.e., less than the full amount due and payable. The Association may also refuse to accept payments to which the payer attaches conditions or

directions contrary to the board's policy for applying payments. The Association's policy may provide that endorsement and deposit of a payment does not constitute acceptance by the Association, and that acceptance occurs when the Association posts the payment to the Lot's account.

8.2. **ENFORCING THE DOCUMENTS.** The remedies provided in this Section for breach of the Governing Documents are cumulative and not exclusive. In addition to other rights and remedies provided by the Governing Documents and by law, the Association has the following right to enforce the Governing Documents:

- 8.2.1. **Nuisance.** The result of every act or omission that violates any provision of the Governing Documents is a nuisance, and any remedy allowed by law against a nuisance, either public or private, is applicable against the violation.
- 8.2.2. **Fine.** The Association may levy reasonable charges, as an individual assessment, against an owner and his lot if the owner or resident, or the owner or resident's family, guests, employees, agents, or contractors violate a provision of the Governing Documents. Fines may be levied for each act of violation or for each day a violation continues, and does not constitute a waiver or discharge of the owner's obligations under Governing Documents.
- 8.2.3. **Suspension.** The Association may suspend the right of owners and residents to use common areas (with the exception of streets) for any period during which the owner or resident, or the owner or resident's family, guests, employees, agents, or contractors violate the Governing Documents. A suspension does not constitute a waiver or discharge of the owner's obligations under the Governing Documents.
- 8.2.4. **Self-Help.** The Association has the right to enter any part of the Property, including lots, to abate or remove, using force, as may reasonably be necessary, any erection, thing, animal, person, vehicle, or condition that violates the Governing Documents. In exercising this right, the board is not trespassing and is not liable for damages related to the abatement. The board may levy its costs of abatement against the lot and owner as an individual assessment. Unless an emergency situation exists in the good faith opinion of the board, the board will give the violating owner 15 days' notice of its intent to exercise self-help.
- 8.2.5. **Suit.** Failure to comply with the Governing Documents will be grounds for an action to recover damages or for injunctive relief to cause any such violation to be remedied, or both. Prior to commencing any legal proceeding, the Association will give the defaulting party reasonable notice and an opportunity to cure the violation.
- 8.2.6. **No Waiver.** The Association and every owner has the right to enforce all restrictions, conditions, covenants, liens, and charges now or hereafter imposed by the Governing Documents. Failure by the Association or by any owner to enforce a provision of the Governing Documents is not a waiver of the right to do so thereafter. If the Association does waive the right to enforce a provision, that waiver does not impair the Association's right to enforce any part of the Governing Documents at any future time.

- 8.2.7. No Liability. No officer, director, or member of the Association is liable to any owner for the failure to enforce any of the Governing Documents at any time.
- 8.2.8. Recovery of Costs. The costs of curing or abating a violation are at the expense of the owner or other person responsible for the violation. If legal assistance is obtained to enforce any provision of the Governing Documents, or in any legal proceeding (whether or not suit is brought) for damages or for the enforcement of the Governing Documents or the restraint of violations of the Governing Documents, the prevailing party is entitled to recover from the nonprevailing party all reasonable and necessary costs incurred by it in such action, including reasonable attorney's fees.
- 8.3. NOTICE AND HEARING. Before levying a fine for violation of the Governing Documents (other than nonpayment of assessments), or before levying an individual assessment for property damage, the Association will give the owner written notice of the levy and an opportunity to be heard before the board. The Association may also give a copy of the notice to the resident. Pending the hearing, the Association may continue to exercise its other rights and remedies for the violation, as if the declared violation were valid. The owner's request for a hearing suspends only the levy of a fine or damage charge. The owner may attend the hearing in person, or may be represented by another person or written communication. The board may adopt additional procedures and requirements for notices and hearing.

ARTICLE 9

MAINTENANCE AND REPAIR BY THE ASSOCIATION

- 9.1. ASSOCIATION MAINTAINS. The Association shall have the right, but shall not be deemed obligated, to maintain, repair, and/or replace as a common expense, the portions of the Property listed below, regardless of whether the portions are on lots or common areas.
- a. The common areas, including, without limitation.

 - c. Any area, item, easement, or service – the maintenance of which is assigned to the Association by this Declaration or by the plat.
- 9.2. OWNER RESPONSIBILITY. Every owner has the following responsibilities and obligations for the maintenance, repair, and replacement of the Property:
- 9.2.1. House Maintenance. Each owner, at the owner's expense, must maintain all improvements on the lot, including but not limited to the dwelling, fences, retaining walls, sidewalks, and driveways. Maintenance includes preventative maintenance, repair as needed. Each owner is expected to maintain his lot's improvements at a level, to a standard, and with an appearance that is commensurate with the neighborhood. 9.3. OWNER'S DEFAULT IN MAINTENANCE. If the board determines that an owner has failed to properly discharge his obligation to maintain, repair, and replace items from which the owner is responsible, the board may give the owner written notice of the Association's intent to provide the necessary maintenance at owner's expense. The notice must state, with reasonable particularity, the maintenance deemed necessary and a reasonable period of time in which to complete the work. If the owner fails or refuses to timely perform the maintenance, the Association may do so at the owner's expense, which is an individual assessment against the owner and his lot. In case of an emergency, however, the board's responsibility to give the owner written notice may be waived and the board may take any action it deems necessary to protect persons or property, the cost of the action being the owner's expense.

9.4. SPECIAL FENCING. Declarant and/or the Association shall have the right, but not the obligation, to erect and/or install fences, walls and/or screening landscaping within (a) that portion of any Lot situated along the perimeter of the Addition(s), as shown on a Final Plat, or (b) on any portion of the Property not comprising any portion of a Lot or dedicated street or alley. IT SHALL BE THE OBLIGATION OF THE LOT OWNER TO MAINTAIN ANY SPECIAL FENCING INSTALLED BY DECLARANT THAT IS ADJACENT TO ANY PUBLIC PARK OR PRIVATE PROPERTY AND THE ASSOCIATION SHALL HAVE THE RIGHT, BUT NOT THE OBLIGATION, TO MAINTAIN, REPAIR AND/OR REPLACE THE SPECIAL FENCING INSTALLED BY DECLARANT THAT IS ADJACENT TO ANY PRIVATE OR PUBLIC PARK OR PRIVATE PROPERTY.

9.5. SPECIAL LANDSCAPING. - 9.7. TWENTY-YEAR LIMITATION. The provisions of this Section 9 regarding Declarant's rights shall terminate and be of no further force and effect from and after that date which is twenty (20) years after the recording of this Declaration. The rights of the Association shall continue throughout the term hereof.

ARTICLE 10 INSURANCE

- 10.1. GENERAL PROVISIONS. The provisions of this Article, with which the board will make every reasonable effort to comply, govern all insurance affecting the Property. The cost of insurance coverage and bonds maintained by the Association is an expense of the Association. Insurance policies and bonds obtained and maintained by the Association must be issued by responsible insurance companies authorized to do business in the State of Texas. The Association must be the named insured on all policies obtained by the Association. Each owner irrevocably appoints the Association, acting through its board, as his trustee to negotiate, receive, administer, and distribute the proceeds of any claim against an insurance policy maintained by the Association. Additionally:
- 10.1.1. Notice of Cancellation or Modification. Each insurance policy maintained by the Association should contain a provision requiring the insurer to give at least 10 days' prior written notice to the board before the policy may be canceled, terminated, materially modified, or allowed to expire, by either the insurer or the insured.
- 10.1.2. Deductions. An insurance policy obtained by the Association may contain a reasonable deductible, which will be paid by the party who would be liable for the loss or repair in the absence of insurance. If a loss is due wholly or partly to an act or omission of an owner or resident or their invitees, the owner must reimburse the Association for the amount of the deductible that is attributable to the act or omission, within the limits of the law of the State of Texas.
- 10.2. PROPERTY. To the extent it is reasonably available, the Association will obtain blanket all – risk insurance for insurable common area improvements. If blanket all-risk insurance is not reasonably available, then the Association will obtain an insurance policy providing fire and extended coverage. Also, the Association will insure the improvements on any lot owned by the association.
- 10.3. GENERAL LIABILITY. The Association shall make every effort to maintain a commercial general liability insurance policy over common areas—expressly excluding the liability of each owner and resident within his lot – for bodily injury and property damage resulting from the operation, maintenance, or use of the common areas. If the policy does not contain a severability of interest provision, it should contain an endorsement to preclude the insurer's denial of an owner's claim because of negligent acts of the Association of other owners.
- 10.4. DIRECTOR & OFFICERS LIABILITY. To the extent it is reasonably available, the Association will maintain directors and officers liability insurance, errors and omissions

insurance, indemnity bonds, or other insurance the board deems advisable to insure the Association's directors, officers, committee members, and managers against liability for an act or omission in carrying out their duties in those capacities.

- 10.5. OTHER COVERAGES. The Association may maintain any insurance policies and bonds deemed by the board to be necessary or desirable for the benefit of the Association.
- 10.6. OWNER'S RESPONSIBILITY FOR INSURANCE. Each owner will obtain and maintain fire and extended coverage on all the improvements on his lot, in an amount sufficient to cover 100 percent of the replacement cost of any repair or reconstruction in event of damage or destruction from any insured hazard. Further, each owner will obtain and maintain general liability insurance on his lot. Each owner and resident is solely responsible for insuring his personal property in his dwelling and on the lot, including furnishings, vehicles, and stored items.

ARTICLE 11 **AMENDMENTS**

- 11.1. CONSENTS REQUIRED. As permitted by this Declaration, certain amendments of this Declaration may be executed by Declarant alone, or by the board alone. Otherwise, owners of at least 67% of the lots must approve amendments to this Declaration.
- 11.2. METHOD OF AMENDMENT. Except as provided in Article 12 below, at any time, the Owners may amend the Covenants, Conditions and Restrictions and/or any provision(s) set forth herein by executing an instrument containing such amendment(s) and recording same in the appropriate Property Records of the County; provided, however, that (i) for the period which the Declarant owns at least one Lot or easement no such amendment shall be valid or effective without the joinder and consent of Declarant and (ii) except as provided in Article 12 below, the procedure for such amendment shall first be approved by a 67 percent vote of the Association's Members.
- 11.2. TERMINATION. Except as provided in Article 12 below, at any time, the Owners may terminate and extinguish these Covenants, Conditions and Restrictions in their entirety by executing an instrument terminating such Covenants, Conditions and Restrictions and recording same in the appropriate Property Records of the County, provided, however, that (i) for the period in which the Declarant owns at least one Lot or easement, no such termination shall be valid or effective without the joinder and consent of Declarant and (ii) except as provided in Article 12 below, the procedure for such amendment shall first be approved by at least 67 (check property code) percent of the votes of the Association's Members.
- 11.3. CONDEMNATION. In any proceeding, negotiation, settlement, or agreement concerning condemnation of the common area, the Association will be the exclusive representative of the owners. The Association may use condemnation proceeds to repair and replace any damage or destruction of the common area, real or personal, caused by the condemnation. Any condemnation proceeds remaining after completion, or waiver, of the repair and replacement will be deposited in the Association's reserve funds.

ARTICLE 12
DECLARANT RIGHTS

- 12.1. **SPECIFIC DECLARANTS RIGHTS.** Notwithstanding anything herein to the contrary (in the event of any provision herein is in contradiction to this Article 12, in whole or in part, this Article 12 shall prevail), so long as Declarant, its successors or assigns, owns at least one (1) Lot or easement, Declarant shall have the sole right, but not the obligation, in its sole discretion, at any time, effective as of the date hereof, to control, perform and/or conduct the following:
- 12.1.1. Appoint (including itself) and/or substitute at any time the Board of Directors.
 - 12.1.2. Terminate any or all of the Board of Directors.
 - 12.1.3. Amend the Covenants, Conditions and Restrictions and any other Provisions under this Declaration, in whole or in part.
 - 12.1.4. Enforce the Covenants, Conditions and Restrictions and other provisions provided for under this Declaration.
 - 12.1.5. Review, determine and enforce the architectural control of the Lots, including the right to appoint the panel of the Architectural Control Committee.
 - 12.1.6. Appoint, enlist, hire and/or retain a property management company in behalf of the Association as well as the right to terminate the services of any such management company at the Declarant's sole discretion.
 - 12.1.7. Assigns its rights and obligations under this Declaration to any entity at any time, in whole or in part.
 - 12.1.8. Have the authority to approve or disapprove any and all Phases and/or street right-of-way access, either public or private, to the Property from adjacent land.
- 12.2. **DECLARANT'S SOLE DISCRETION.** Declarant's rights set forth above are absolute in its sole discretion and do not require the approval, consent, or joinder of (i) any Owner, (ii) the Association, (iii) the Board of Directors, or (iv) any committees or other parties which may be established with respect hereto. At such time as the Declarant no longer owns a Lot or easement within the Property, all of such rights of enforcement shall revert to the Board of Directors of the Association.
- 12.3. **RIGHTS TO ANNEX.** Declarant may annex additional property to become a portion of the Property and thereafter be subject to the terms, provisions and conditions of these Covenants, provided that so long as the Class B membership exists, any such annexation by Declarant may require the prior approval of HUD or VA. Declarant may exercise such right by recording a Supplement to this Declaration in the Records of Tarrant County, Texas subjecting such additional property to the terms and conditions hereof. No further action or approval shall be required or necessary for the Declarant to annex additional properties into the Property for the purpose of subjecting it to the Covenants. Any document subjecting additional property to the Declaration may also impose additional restrictions not found in this Declaration upon such additional property. Upon the annexation and platting of any additional property as herein provided, each lot

described therein shall become a "Lot" for all purposes hereunder. Declarant reserves an exclusive right to control any and all future phases to **Bella Crossing** and such right shall survive the Declarant control period as set forth herein.

- 12.4. NO DUTY TO ANNEX. Nothing herein contained shall establish any duty or obligation on the part of Declarant or any member to annex any property to this Declaration and no owner of the property excluded from this Declaration shall have any right to have such property annexed thereto.
- 12.5. EFFECT OF ANNEXATION ON CLASS B MEMBERSHIP. In determining the number of Lots owned by Declarant for the purpose of Class B membership status the total number of Lots covered by this Declaration, including all Lots annexed thereto shall be considered. If Class B membership has previously lapsed but annexation of additional property restores the ratio of Lots owned by Declarant to the number required by Class B membership, such Class B membership shall be reinstated until it expires pursuant to the terms set forth in Section 6 and as may be found herein.
- 12.6. SPECIFIC DECLARANT RIGHTS TO AMEND DECLARATION. Declarant without joinder of the Board, the Association, or the other Owners may amend this Declaration to correct any errors or to cause the Declaration to be in compliance with any City or other governmental requirement (including any requirements imposed by the Federal Housing Administration, the Veterans Administration, the Department of Housing and Urban Affairs, the Federal Home Loan Mortgage Corporation, or the Government National Mortgage Association).
- 12.7. EASEMENT/ACCESS RIGHT. Declarant reserves a general easement over all Streets, roads, rights of way, alleys and utility, maintenance, landscaping, wall and other easements in the Property and over the balance of the Common Area for access for the purpose of finishing development of the Property as a subdivision and as otherwise reasonably necessary to effect Declarant's rights hereunder. Such easements and rights shall expire at such time that Declarant no longer owns a Lot.
- 12.8. ASSIGNMENT OF DECLARANT RIGHTS. Declarant may assign its rights to a successor Declarant hereunder by execution of a written document, recorded in Records of Tarrant County, Texas specifically stating that Declarant has assigned its rights as such to a designated assignee and declaring such assignee to be the new "Declarant" hereunder.
- 12.9. DECLARANT'S RIGHT TO INSTALL IMPROVEMENTS IN SETBACK AND OTHER AREAS. Declarant, in connection with development of the Property and construction of homes thereon, reserves the right but shall have no obligation to install or construct walls, fences, irrigation systems and other improvements in the setback areas (being the area on, along and/or between the boundary line of a Lot and the building or setback lines applicable to such Lot). If Declarant exercises such right in a setback area, then such wall, fence, irrigation system, or other improvement shall be the property of the Owner(s) of the Lot(s) upon which or adjacent to these are located, and such Owner(s) shall maintain and repair any such improvement unless Declarant or the Association, by and through the Board, assumes such maintenance and repair obligations. If Declarant exercises such right in the above-described non-setback areas, then such wall, fence, irrigation system, or other improvement shall be the property of the Association. So long as it owns any Lot, Declarant shall have the right, but not the obligation, to maintain and

repair any such non-setback area improvements; otherwise, the Association shall assume the maintenance and repair or it may abandon such improvements at its discretion. If the City requires the maintenance, repair, or removal of any such non-setback area improvements, the Association shall assume such responsibility at its expense. If the Association so abandons such non-setback area improvements or is properly dissolved, then the Owner(s) of the Lot(s) on or adjacent to which such improvements are located shall assume maintenance and repair at its expense.

- 12.10. REPLATTING OR MODIFICATION OF PLAT. From time to time, Declarant reserves the right to replat the Property or to amend or modify the Plat in order to assure a harmonious and orderly development of the Property as herein provided. Declarant may exercise such rights so long as it owns at least one Lot, in which case no joinder of any other Owner shall be required to give effect to such rights. By the acquisition of a Lot, each Owner acknowledges that he has read the Governing Documents and is advised of Declarant's right to replat the Property or to amend or modify the Plat, as Declarant deems necessary, and in Declarant's sole discretion. Moreover, each Owner further acknowledges, accepts and agrees that this right of Declarant is a benefit to each Owner and the Association. Each Owner, by acquisition of a Lot, consents to Declarant's execution of any replat on behalf of the Owner and the Association. However, any such replatting or amendment of the Plat shall be with the purpose of efficiently and economically developing the Property for the purposes herein provided or for compliance with any applicable governmental regulation. Declarant's rights under this Section shall expire at such time Declarant no longer owns a Lot.
- 12.11. LIMITATION OF DECLARANT LIABILITY. The Declarant shall not be responsible or liable for any deficit in the Association's funds. Declarant may, but is under no obligation to, subsidize any liabilities incurred by the Association and the Declarant may, but is not obligated to, lend funds to the Association to enable it to defray its expenses, provided the terms of such loans are on reasonable market conditions at the time.
- 12.12. TERMINATION OF DECLARANT'S RESPONSIBILITIES. In consideration of Declarant's deficit funding of the Association, if any, upon the occurrence of any of the following events: (i) conversion of Declarant's Class B membership status to Class A membership status; (ii) completion of any facilities in the Common Area by Declarant; or (iii) assignment of Declarant's rights hereunder pursuant to Section 12.8, then and in such event Declarant shall be fully released, relieved and forever discharged from any further duty or obligation to the Association or any of its members as Declarant by reason of the terms and conditions of this Declaration including any amendments thereof or supplements thereto, save and except the duties and obligations, if any, of Declarant as a Class A member by reason of Declarant's continued ownership of one or more Lots, but not otherwise. Further, and without regard to whether or not Declarant has been released from obligations and duties to the Association, so long as Declarant holds record title to at least one (1) Lot and holds same for sale in the ordinary course of business, neither the Association nor its Board, nor any member of the Association shall take any action that will impair or adversely affect the rights of the Declarant or cause the Declarant to suffer any financial, legal or other detriment, including but not limited to, any direct or indirect interference with the sale of Lots. In the event there is a breach of this Section, it is acknowledged that any monetary award, which may be available would be an insufficient remedy and therefore, in addition to all other remedies, the Declarant shall be entitled to injunctive relief restraining the Association, its Board or any member of the Association from further breach of this Section.

ARTICLE 13

In all Governing Documents, the captions of articles and sections are inserted only for convenience and are in no way to be construed as defining or modifying the text to which they refer. 18.1. DEFINITIONS AND GENERAL PROVISIONS.

Any proposal to install a Solar Energy Device on property owned or maintained by the Association or property owned in common by members of the Association must be approved in advance and in writing by the Board, and the Board need not adhere to this policy when considering any such request. Each Owner is advised that if the Solar Application is approved by the ACC, installation of the Solar Energy Device must (i) strictly comply with the Solar Application; (ii) commence within thirty (30) days of approval; and (iii) be diligently prosecuted to completion. If the Owner fails to cause the Solar Energy Device to be installed in accordance with the approved Solar Application, the ACC may require the Owner to: (i) modify the Solar Application to accurately reflect the Solar Energy Device installed on the property; or (ii) remove the Solar Energy Device and reinstall the device in accordance with the approved Solar Application. Failure to install a Solar Energy Device in accordance with the approved Solar Application or an Owner's failure to comply with the post-approval requirements constitutes a violation of this policy and may subject the Owner to fines and penalties. Any requirement imposed by the ACC to resubmit a Solar Application or remove and relocate a Solar Energy Device in accordance with the approved Solar Application shall be at the Owners sole cost and expense.

18.3. APPROVAL CONDITIONS. Unless otherwise approved in advance and in writing by the ACC, each Solar Application and each Solar Energy Device to be installed in accordance therewith must comply with the following:

- (a) The Solar Energy Device must be located on the roof of the residence located on the Owner's lot, entirely within a fenced area of the Owner's lot, or entirely within a fenced patio located on the Owner's lot. If the Solar Energy Device will be located on the roof of the residence, the ACC may designate the location for placement unless the location proposed by the Owner increases the estimated annual energy production of the Solar Energy Device, as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than 10 percent above the energy production of the Solar Energy Device if installed in the location designated by the ACC. If the Owner desires to contest the alternate location proposed by the ACC, the Owner should submit information to the ACC which demonstrates that the Owner's proposed location meets the foregoing criteria. If the Solar Energy Device will be located in the fenced area of the Owner's lot or patio, no portion of the Solar Energy Device may extend above the fence line.
- (b) If the Solar Energy Device is mounted on the roof of the principal residence located on the Owner's lot, then: (i) the Solar Energy Device may not extend higher than or beyond the roofline; (ii) the Solar Energy Device must conform to the slope of the roof and the top edge of the Solar Device must be parallel to the

roofline; (iii) the frame, support brackets, or visible piping or wiring associated with the Solar Energy Device must be silver, bronze or black.

- 18.4. ENERGY EFFICIENT ROOFING. The ACC will not prohibit an Owner from installing Energy Efficient Roofing provided that the Energy Efficient Roofing shingles: (i) resemble the shingles used or otherwise authorized for use within the community; (ii) are more durable than, and are of equal or superior quality to, the shingles used or otherwise authorized for use within the community; and (iii) match the aesthetics of adjacent property. An Owner who desires to install Energy Efficient Roofing will be required to comply with the architectural review and approval procedures set forth in the Covenant. In conjunction with any such approval process, the Owner should submit information which will enable the ACC to confirm the criteria set forth in the previous paragraph.

ARTICLE 19

ASSESSMENT COLLECTION POLICY

19.1. DELINQUENCIES, LATE CHARGES & INTEREST.

- (a) DUE DATE. An Owner will timely and fully pay Assessments. Regular Assessments are assessed annually and are due and payable on the first calendar day of the month at the beginning of the fiscal year, or in such other manner as the Board may designate in its sole and absolute discretion.
- (b) DELINQUENT. Any Assessment that is not fully paid when due is delinquent. When the account of an Owner becomes delinquent, it remains delinquent until paid in full -including collection costs, interest, and late fees.
- (c) LATE FEES AND INTEREST. If the Association does not receive full payment of an Assessment by 5:00 p.m. on the due date established by the Board, the Association may levy a late fee per month and/or interest at the highest rate allowed by applicable usury laws then in effect or what is specified in the Restrictions on the amount of the Assessment from the late date therefore (or if there is no such highest rate, then at the rate of 1 and 1/2% per month) until paid in full.
- (d) LIABILITY FOR COLLECTION COSTS. The defaulting Owner is liable to the Association for the cost of title reports, assessment liens, credit reports, certified mail, long distance calls, court costs, filing fees, and other reasonable costs and attorney's fees incurred by the Association in collecting the delinquency.
- (e) INSUFFICIENT FUNDS. The Association or managing agent may levy a reasonable fee for any check returned to the Association marked "not sufficient funds" or the equivalent.
- (f) WAIVER. Properly levied collection costs, late fees, and interest may only be waived by a majority of the Board.

- 19.2. INSTALLMENTS & ACCELERATION. If an Assessment, other than an Annual Assessment, is payable in installments, and if an Owner defaults in the payment of any installment, the Association may declare the entire Assessment in default and accelerate the due date on all remaining installments of the Assessment. An Assessment other than an Annual

Assessment, payable in installments may be accelerated only after the Association gives the Owner at least fifteen (15) days prior notice of the default and the Association's intent to accelerate the unpaid balance if the default is not timely cured. Following acceleration of the indebtedness, the Association has no duty to reinstate the installment program upon partial payment by the Owner.

19.3. PAYMENTS.

- (a) APPLICATION OF PAYMENTS. After the Association notifies the Owner of a delinquency and the Owner's liability for late fees or interest, and collection costs, any payment received by the Association shall be applied in the following order, starting with the oldest charge in each category, until that category is fully paid, regardless of the amount of payment, notations on checks, and the date the obligations arose: first to delinquent assessments, then to current assessments, then to attorney fees and costs associated with delinquent assessments, then to other attorney's fees, then to fines, then to any other amount.
- (b) PAYMENT PLANS. The Association shall offer a payment plan to a delinquent Owner with a minimum term of at least three (3) months and a maximum term of eighteen (18) months from the date the payment plan is requested for which the Owner may be charged reasonable administrative costs and interest. The Association will determine the actual terms of each payment plan offered to an Owner. An Owner is not entitled to a payment plan if the Owner has defaulted on a previous payment plan in the last two (2) years. If an Owner is in default at the time the Owner submits a payment, the Association is not required to follow the application of payments schedule set forth in Paragraph 3-A.
- (c) NOTICE OF PAYMENT. If the Association receives full payment of the delinquency after recording a notice of lien, the Association will cause a release of notice of lien to be publicly recorded. The Association may require the Owner to prepay the cost of preparing and recording the release.
- (d) CORRECTION OF CREDIT REPORT. If the Association receives full payment of the delinquency after reporting the defaulting Owner to a credit reporting service, the Association will report receipt of payment to the credit reporting service.

19.4. LIABILITY FOR COLLECTION COSTS. The defaulting Owner may be liable to the Association for the cost of the reports, credit reports, assessment lien, certified mail, long distance calls, filing fees, and other reasonable costs and attorney's fees incurred in the collection of the delinquency.

19.5. COLLECTION PROCEDURES.

- (a) DELEGATION OF COLLECTION PROCEDURES. From time to time, the Association may delegate some or all of the collection procedures, as the Board in its sole discretion deems appropriate, to the Association's managing agent an attorney, or a debt collector.
- (b) DELINQUENCY NOTICES. If the Association has not received full payment of an Assessment by the due date, the Association may send written notice of nonpayment to the defaulting Owner, by hand delivery, first class mail, and/or by

certified mail, stating the amount delinquent. The Association's delinquency-related correspondence may state that if full payment is not timely received, the Association may pursue any or all of the Association's remedies, at the sole cost and expense of the defaulting Owner.

- (C) VERIFICATION OF OWNER INFORMATION. The Association may obtain a title report to determine the names of the Owners.
- (d) NOTIFICATION OF CREDIT BUREAU. The Association may report the defaulting Owner to one or more credit reporting services.
- (e) COLLECTION BY ATTORNEY. If the Owner's account remains delinquent the Association may refer the delinquent account to the Association's attorney for collection. In the event an account is referred to the Association's attorney, the Owner will be liable to the Association for its legal fees and expenses. Upon referral of a delinquent account to the Association's attorney, the Association's attorney will provide the following notices and take the following actions unless otherwise directed by the Board:
 - (1) INITIAL NOTICE: Preparation of the Initial Notice of Demand for Payment Letter. If the account is not paid in full within 30 days (unless such notice has previously been provided by the Association), then
 - (2) LIEN NOTICE. Preparation of the Lien Notice of Demand for Payment Letter and record a Notice of Unpaid Assessment Lien (unless such notice has previously been provided by the Association). If the account is not paid in full within 30 days, then
 - (3) FINAL NOTICE: Preparation of the Final Notice of Demand for Payment Letter and Intent to Foreclose and Notice of Intent to Foreclose. If the account is not paid in full within 30 days, then
 - (4) FORECLOSURE OF LIEN: Only upon specific approval by a majority of the Board.
- (a) NOTICE OF LIEN. The Association's attorney may cause a notice of the Association's Assessment lien against the Owner's home to be publicly recorded. In that event, a copy of the notice will be sent to the defaulting Owner, and may also be sent to the Owner's mortgagee.
- (b) CANCELLATION OF DEBT. If the Board deems the debt to be uncollectible, the Board may elect to cancel the debt on the books of the Association, in which case the Association may report the full amount of the forgiven indebtedness to the Internal Revenue Service as income to the defaulting Owner.
- (c) SUSPENSION OF USE OF CERTAIN FACILITIES OR SERVICES. The Board may suspend the use of the Common Area amenities by an Owner, or his tenant, whose account with the Association is delinquent for at least thirty (30) days.

19.6. GENERAL PROVISIONS.

- (a) INDEPENDENT JUDGMENT. Notwithstanding the contents of this detailed policy, the officers, directors, manager, and attorney of the Association may exercise their independent, collective, and respective judgment in applying this policy.
- (a) OTHER RIGHTS. This policy is in addition to and does not detract from the rights of the Association to collect Assessments under the Association's Restrictions and the laws of the State of Texas.
- (b) LIMITATIONS OF INTEREST. The Association, and its officers, directors, managers, and attorneys, intend to conform strictly to the applicable usury laws of the State of Texas. Notwithstanding anything to the contrary in the Restrictions or any other document or agreement executed or made in connection with this policy, the Association will not in any event be entitled to receive or collect, as interest, a sum greater than the maximum amount permitted by applicable law. If from any circumstances whatsoever, the Association ever receives, collects, or applies as interest a sum in excess of the maximum rate permitted by law, the excess amount will be applied to the reduction of unpaid Assessments, or reimbursed to the Owner if those Assessments are paid in full.
- (d) NOTICES. Unless the Restrictions, applicable law, or this policy provide otherwise, any notice or other written communication given to an Owner pursuant to this policy will be deemed, delivered to the Owner upon depositing same with the U.S. Postal Service, addressed to the Owner at the most recent address shown on the Association's records, or on personal delivery to the Owner. If the Association's records show that an Owner's property is owned by two (2) or more persons, notice to one co-Owner is deemed notice to all co-Owners. Similarly, notice to one resident is deemed notice to all residents. Written communications to the Association, pursuant to this policy, will be deemed given on actual receipt by the Association's president, secretary, managing agent, or attorney.
- (e) AMENDMENT OF POLICY. This policy may be amended from time to time by the Board and/or Declarant.
- (f) COLLECTIONS POLICY SCHEDULE. The Association collections policy schedule attached hereto as Exhibit D.

ARTICLE 20

RECORDS INSPECTION, COPYING AND RETENTION POLICY

Note: Texas statutes presently render null and void any restriction which restricts or prohibits the inspection, copying, and/or retention of association records and files in violation of the controlling provisions of the Texas Property Code or any other applicable state law. The Declarant has adopted this policy in lieu of any express prohibition or any provision regulating such matters which conflict with Texas law.

- 20.1. WRITTEN FORM. The Association shall maintain its records in written form or in another form capable of conversion into written form within a reasonable time.
- 20.2. REQUEST IN WRITING; PAY ESTIMATED COSTS IN ADVANCE. An Owner (or an individual identified as an Owner's agent, attorney, or certified public accountant,

provided the designation is in writing and delivered to the Association) may submit a written request via certified mail to the Association's mailing address or authorized representative listed in the management certificate to access the Association's records. The written request must include sufficient detail describing the books and records requested and whether the Owner desires to inspect or copy the records. Upon receipt of a written request, the Association may estimate the costs associated with responding to each request, which costs may not exceed the costs allowed pursuant to Texas Administrative Code § 70.3, as may be amended from time to time (a current copy of which is attached hereto). Before providing the requested records, the Association will require that the Owner remit such estimated amount to the Association. The Association will provide a final invoice to the Owner on or before the 30th business day after the records are provided by the Association. If the final invoice includes additional amounts due from the requesting party, the additional amounts, if not reimbursed to the Association before the 30th business day after the date the invoice is sent to the Owner, may be added to the Owner's account as an assessment. If the estimated costs exceeded the final invoice amount the Owner is entitled to a refund, and the refund shall be issued to the Owner not later than the 30th business day after the date the final invoice is sent to the Owner.

- 20.3. PERIOD OF INSPECTION. Within ten (10) business days from receipt of the written request, the Association must either: (1) provide the copies to the Owner; (2) provide available inspection dates; or (3) provide written notice that the Association cannot produce the documents within the ten (10) days along with either: (i) another date within an additional fifteen (15) days on which the records may either be inspected or by which the copies will be sent to the Owner; or (ii) after a diligent search, the requested records are missing and cannot be located.
- 20.4. RECORDS RETENTION. The Association shall keep the following records for at least the time periods stated below:
- (a) PERMANENT: The Articles of incorporation or the Certificate of Formation, the Bylaws and the Restrictions, any and all other governing documents, guidelines, rules, regulations and policies and all amendments thereto recorded in the property records to be effective against any Owner of the Association.
 - (b) FOUR (4) YEARS: Contracts with a term of more than one (1) year between the Association and a third party. The four (4) year retention term begins upon expiration of the contract term.
 - (c) FIVE (5) YEARS. Account records of each Owner. Account records include debit and credit entries associated with amounts due and payable by the Owner to the Association and written or electronic records related to the Owner and produced by the Association in the ordinary course of business.
 - (d) SEVEN (7) YEARS: Minutes of all meetings of the Board and the Owners. Financial books and records produced in the ordinary course of business, tax returns, and audits of the Association.
 - (e) GENERAL RETENTION INSTRUCTIONS: "Permanent" means records which are not to be destroyed. Except for contracts with a term of one (1) year or more, a retention period starts on the last day of the year in which the record is created

and ends on the last day of the year of the retention period. For example, if a record is created on June 14, 2012, and the retention period is five (5) years, the retention period begins on December 31, 2012 and ends on December 31, 2017. If the retention period for a record has elapsed and the record will be destroyed, the record should be shredded or otherwise safely and completely destroyed. Electronic files should be destroyed to ensure that data cannot be reconstructed from the storage mechanism on which the record resides.

- 20.5. CONFIDENTIAL RECORDS. As determined in the discretion of the Board, certain Association records may be kept confidential such as personnel files, Owner account or other personal information (except addresses) unless the Owner requesting the records provides a court order or written authorization from the person whose records are sought.
- 20.6. ATTORNEY FILES. Attorney's files and records relating to the Association (excluding invoices requested by an Owner pursuant to Texas Property Code § 209.008(d)), are not records of the Association and are not: (a) subject to inspection by the Owner; or (b) subject to production in a legal proceeding. If a document in an attorney's files and records relating to the Association would be responsive to a legally authorized request to inspect or copy Association documents, the document shall be produced by using the copy from the attorney's files and records if the Association has not maintained a separate copy of the document. The Association is not required under any circumstance to produce a document for inspection or copying that constitutes attorney work product or that is privileged as an attorney-client communication.
- 20.7. PRESENCE OF BOARD MEMBER OR MANAGER; NO REMOVAL. At the discretion of the Board or the Association's manager, certain records may only be inspected in the presence of a Board member or employee of the Association's manager. No original records may be removed from the office without the express written consent of the Board.

At the time of conveyance, the common areas will be free of encumbrance except for the property taxes accruing for the year of conveyance. Declarant's conveyance of title is a ministerial task that does not require and is not subject to acceptance by the Association or the owners.

² This fund will not be used for improvements, which are the responsibility of the Declarant, Developer or Builders.

EXHIBIT C
Acknowledgment by Acquisition

By its acquisition and ownership of a Lot in the Property, each Owner acknowledges that:

- (a) Due to the topography of its Lot and the Property, stormwater runoff will, at times, flow through and over portions of a lot from other lots in order to achieve adequate drainage away from all applicable Lots. No action may be taken by said Owner(s) to the detriment of providing adequate drainage for any and all Lots.
- (b) the property adjacent to **Bella Crossing** is not owned or controlled by Declarant and it has hereby been advised to consult with the applicable departments of the City for any changes to and/or specific zoning information regarding its Lot, the Property and the zoning or proposed (re-)zoning of any adjacent property. It is also understood that there are no oral, written or implied representations or warranties regarding zoning or development of the Property or adjoining properties.
- (c) its Lot may have "back-to-front" or "front-to-back" drainage. There may be a swale or swales over various portions of its Lot due to this drainage situation. The depth and width of any swales will vary depending on the elevations of its and adjacent Lots. The front and the rear portions of its Lot will not be level and no adjustments to the depth or severity of any swales should be made due to cosmetic or aesthetic concerns. Any alterations made after closing to any swales by an Owner may impact the drainage as well as any foundation warranty that it may own.
- (d) its lot falls under the jurisdiction of the Homeowners' Association, which requires mandatory affiliation thereto, including the payment of an annual fee (which may be payable on a quarterly or other basis) per Section 7.3 of the Covenants, Conditions & Restrictions for **Bella Crossing**. It will also incur a working capital contribution fee and a transfer fee per Section 6.10 of the Declaration, which it understands should be further reviewed for more detailed information regarding Association dues, assessments and restrictions.
- (e) it understands and agrees that neither Declarant nor Builder has any responsibility as to the present condition or future maintenance of any trees on its Lot. Furthermore, it is understood that neither Declarant nor Builder makes any assurances, implied or stated, in regard to the survival of any trees during the construction process of building and completing a Residence on its Lot. It is also acknowledged that neither Declarant nor Builder has any liability consideration on trees either during construction or after a Residence is purchased and occupied on the Lot. It is further understood that each Owner assumes all responsibility of the maintenance and the condition of any trees on his Lot.
- (f) any modifications or additions to its Residence or any Structure on its Lot requires prior submittal to and approval of plans and specifications by the Association's ACC pursuant to the Declaration. It is also understood that failure to so comply may result in the imposition of fines against the Owner and/or the removal of such modifications or additions at Owner's expense.
- (g) there is no prescribed time for the construction or marketing by Builder or Declarant of a Residence on any Lot or the Lot itself.
